Meetings once a month in Austin as announced by bulletins. Visitors welcome.

Present officers: Mr. Robert E. Lee, Texas State Library--president; Mr. John A. Gracy, 1502 Lorraine--vice president; Mrs. David C. Gracy, 2509 Harris Boulevard--secretary-treasurer; Mrs. J. T. Springfield, 2110 Rio Grande--parliamentarian.

Current charter membership is 125. First out-of-state member was Miss Ida Carrie Seale, The Cottage, Bay Pines, Florida. Member #100 was Mrs. Fischer Osburn, 5212 Berkman Drive (Texas Archives librarian). Mrs. Ludie J. Camp of 524 West Hopkins St., San Marcos, Texas, and Mrs. Richard R. Smith, III, of Box 210, Georgetown, Texas, are handling membership in those areas for Mrs. Gentry.

There will be NO December meeting. Charter membership deadline of 31 Dec. 1960--dues \$1.00. Beginning 1 Jan. 1961, dues of \$3.00 for 1961 are payable; and all memberships during a year are retroactive to 1 Jan.--quarterlies for that year will be mailed to the new member. Back issues may cost \$1.00 per issue; this Nov., 1960, issue will NOT be included with 1961 dues. Charter members receive this issue with 2 five-generation pedigree charts. Fill each chart, as much as you can (Type or print or write LEGIBLY); keep one copy as your duplicate and rush the other back to AGS for filing. Ancestors listed will be alphabetized for the entire charter membership, keyed to the charter member roster, and published with the roster in the planned Feb. quarterly, 1961, for distribution to 1961 members, genealogical societies & quarterlies & libraries. PLEASE, we can NOT list your ancestors in this exchange IF WE CANNOT READ YOUR CHART.

The secretary-treasurer has received the specially-printed AGS stationery for any members who wanted it--a complete set of 100 envelopes, 100 letterheads, plus 100 plain sheets costs only \$3.50---first come, first served.

We proudly announce: The Vestry of Austin's old St. David's Church has voted AGS permission to publish their old records. The first 10 years should be prepared and ready for publication beginning this spring, 1961.

Plans for 1961: (1) The Jan. meeting on techniques in genealogy (2) The Feb. roster & exchange edition (3) Possible publication of U. S. census of 1860, Travis County, for sale this Civil War Centennial Year (4) Three other quarterlies (ca. May, Sept, Nov-Dec), indexed the end of 1961 (5) One program per month on sources, areas, equipment--of genealogical research (6) Query section if we can afford it (7) Copying by experienced, volunteer members of material for publication (8) Compilation of a bibliography card file of material owned by members who will lend it or consult it for other members.

Abstracted by Mrs. Paralee Parrish and Mrs. G. A. Welsch from the records on file at Travis County Courthouse, Austin, Texas. The first in a series now complete into 1890. AGS members hope to complete to 1900. (Indexed pages 17-20).

First settler in Travis County.

Landed at the mouth of the Brazos River with Stephen F. Austin,
February 5, 1830.

He surveyed the site of this settlement the same year.

In July, 1832, with his family, he established his home in this place,
since called Hornsby's Bend.

Residents of the area say that near this Austin-Webberville highway are located the JONES CEMETERY, the private HUNTER CEMETERY and HORNSBY'S CEMETERY. Our quarterly would welcome for publication careful copies of all the tombstones in these local area cemeteries. Other lists of all burials or tombstones in small private cemeteries located in Central Texas are desired if members have these available or will copy them for use. The old DAVIS CEMETERY of Austin's Allendale section is already copied and requires only some further checking before it can be published. We are anxious to publish and preserve the records of these small cemeteries before further damage to stones removes forever some of the names. Does anyone know the location of the old STANLEY PLACE CEMETERY west of Austin?

INDEX #1, CONFEDERATE PENSIONERS OF TEXAS

This list was copied by Mrs. G. L. Hardin and Mrs. C. M. Halliburton from Index Book #1 of Confederate Pensioners, on file in the Office of the Comptroller of Public Accounts, State of Texas, Capitol Building, Austin, Texas. It includes all of pages 2 through 5; there was nothing on page 1. These record applications for pensions by veterans then resident in Texas, but not necessarily native-born Texans who had served from Texas. #1 is one of several index books for veterans and for widows and is NOT a complete list of all applications for veterans with "A" names. Each index book runs A through Z. The papers themselves are on file in the Capitol, at present, and often give date and place of birth, service record, residence, and other particulars concerning the veteran and his associates. Some papers contain little information; others, much. Since 1961 is Civil War Centennial Year, the quarterly publishes these records of people of that period. The records extend over Texas and into other Southern States (and don't forget those Northern-born men who also served the South). These names are NOT indexed on pages 17-20 of this issue.

(End of "A" burials to 1900 - to be continued with "B" burials)

The State Record Books of deaths & burials are in this office and give more information in many cases. Some books here tell the cause of death, often the age, the birthplace (often vague), the exact date of death and location of death and a few random items at times. Not all these graves listed have tombstones; in the Old Grounds, much of the record cannot be completed for lack of stones.
