

AUSTIN GENEALOGICAL SOCIETY QUARTERLY

Vol. II. No. 3

September 1961

Published by the Education & Publicity Committee of Austin  
Genealogical Society of Austin, Travis County, Texas

A.G.S. is a non-profit organization dedicated to collecting, exchanging and publishing genealogical material for the benefit of historians and genealogists. Meetings about once a month in Austin as announced. Visitors welcome.

September meeting: 7:30 pm, Tues., 26 Sept. 1961, downstairs auditorium, Austin Public Library, 9th & Guadalupe Streets. We meet for urgent business this month. Copies of a proposed Constitution & by-laws should go out with this quarterly. AGS needs to vote & adopt some this month in order that a nominating committee may be formed & nominations made in Oct. prior to an election in Nov. (NO Dec. meeting). We may need several new officers, a Program chairman & possibly new Board members. We must file copies of a Constitution & by-laws with the State to get a Charter as a non-profit organization. With this, we can petition the Postal Department to grant us about 1/3 reduction in postal rates, as well as making donations to AGS deductible for income-tax purposes. Postage savings alone mean more money for more services & possibly more pages in our quarterly. We also increase the chances of gifts & donations to AGS & our work. Please study your copies of the proposals & come prepared to help us decide well and quickly; all paid members (1961) who attend have a vote. We need you now!

With our Constitution, Charter & Administration provided for, AGS can concentrate on that Nov. quarterly & 1962. Nov, Dec, & Jan. are dedicated to sending & receiving blanks on your family data for the Feb, 1962, quarterly--5 generations for new 1961 members & continuations for 1960-1961 members. It's optional to file; but family data of PAID 1961 members only will be published in Feb, 1962. Only PAID 1962 members receive the quarterly next year; arithmetic on time & money makes this reasonable. Procedure will be announced later on.

AGS member Miss Miriam Gordon Landrum receives our thanks this month. She has donated for the use of AGS & later deposit in a library of our choice, a book, PATHFINDERS OF TEXAS (1836-1846), a story of pioneer families of Nueces County & Corpus Christi, originally material in a Corpus newspaper (1935-36), bound & indexed by 2 daughters in memory of their mother, Mrs. Frank de Garmo (1951). This is the type of donation we all hope to make when possible.

Non-Austin members should receive with this quarterly a copy of the summer meeting's hand-out, a bibliography of Huguenot references in Texas Univ. & State libraries at Austin. Miss Dozier & Mrs. Huckaby of AGS & the Huguenot Society gave these lists & those of references in Houston, Fort Worth & Dallas Public Libraries. If AGS had a mimeograph machine, we could make more nice hand-outs.

A postal card to GENERAL SERVICES ADMINISTRATION, Washington 25, DC should get Special List #8 (1800-1870 population schedules, volume index to counties and major cities) & another list Federal Population Censuses (1840-80) which gives prices on each reel of microfilm available. (Incidentally, Texas Archives has made a booklet on microfilms they have; check it there). A postal card to BRITISH TRAVEL ASSOCIATION, 606 S. Hill Street, Los Angeles 14, Calif. might obtain you a folder, "Tracing Your Ancestors in Britain".

Mrs. David C. Gracy has contributed Part I of baptisms-burials from St. David's Church Register. See pages 73-78 for another removable unit on that church.

## AUSTIN GENEALOGICAL SOCIETY

Drawer 2450, Waco, Tex.--(6) Offers of Porter Matteson, Genealogist, R. 2-101 Waterloo, N.Y.--(7) Notices & data received prior to July, 1961.

Prospective AGS members Mr. & Mrs. Robt. R. Bunten, 3802 Tonkawa Trail, Austin (GL-3-6549) have material from Scotland which AGS members may purchase. Your Editor paid under \$6.00 for a Historical Map of Scotland, a clan map of Scotland of Old, a booklet, SCOTS KITH & KIN (map, indexed clans & clan histories), and a 300-page book, THE TARTANS OF THE CLANS & FAMILIES OF SCOTLAND. (My Scot blood didn't even pause--now I know where some of it came from: Loch Ness).

Dolores Cramer Wolf of Odessa requests we announce a new society: ECTOR COUNTY GENEALOGICAL SOCIETY, Ector Co. Library, 7th & Lea Streets, Odessa, Texas--Data exchanged. They welcome queries and can do some research locally.

-----  
 ---AGS is indebted to the following (not Exchanges) for notices in 1961:

THE NEW JERSEY GENESIS, Harold A. Sonn, Ed. & Publ., 105-C Troy Drive, Springfield, N.J.; quarterly; \$3.00 per year. AGS has a July, 1961 copy.

THE VIRGINIA GENEALOGIST, Mr. J. Fred Dorman, Box 4883, Washington 8, D. C.; quarterly; \$5.00 per year; Va. & early West Va. data. Your Editor will have.

THE AMERICAN GENEALOGIST (New England & Nat'l material), Box 3032, Westville Station, New Haven 15, Connecticut; \$6.00 per year. Donald L. Jacobus.

---We hope you will examine samples of these & notify us of other publications who were kind enough to mention AGS & our quarterly to their subscribers.---

-----  
 For a list of our Exchange members & new changes in 1961 membership, see pages 88 & 89. Corrections & additions should be made to April & May issues. We regret the short list of Travis Co. marriages; we can promise more later. If you Don't (or Do) like the indices, say so. Page 90 gives our 1960-61 Officers and Chairmen for convenience in use of the Coupon & in fall elections. We request opinions on the use of the type material on pages 86 & 87.

Present source work of AGS members seems to include abstracting more Travis Co. wills and copying--more Travis Co. marriages, more City Cemetery burial indices, more Civil War Pensioners indices, more 1860 Travis Co. census, more 1875 Austin census, 1867 Travis Co. voters' lists--also processing more St. David's Churchh records, making bibliographies in our libraries, hunting & copying small cemetery tombstones & records, locating Family Bibles for publication. Please volunteer whenever you can; we could spend a lifetime perhaps & still leave work for others. We understand libraries are grateful for indices made of their unindexed books. Those of you who have material suitable for publication are welcome to write or phone about it later this year. When we have our new Administration & by-laws. We can organize our work better. Good Hunting.

## INDEX #1, CONFEDERATE PENSIONERS OF TEXAS

This list was copied from pages 6 through 8, Index #1, Confederate Pensioners, on file in the Office of the Comptroller of Public Accounts, State of Texas, Capitol Building, Austin, Texas, April, 1961. It records applications for pensions by Confederate veterans and widows resident in Texas; papers themselves are on file and usually give more information. There are several A-Z index books of applications. Pages 2 through 5, Index #1, were published in our November, 1960 AGS quarterly. If inquiries are made, please give File Number and data below. There is a charge for photostats or copies of papers. Information often found is date and place of birth, service record, residence, and other particulars concerning the veteran and associates. Naturally, many were not born in Texas.

Texas' new State Archives & Library Building opened Monday, 21 August 1961, hours 8 am to 5 pm, Monday through Friday. Our researchers should enjoy working in this beautiful building with its courteous and helpful staff. The Archives section was ready for public use; AGS members were impressed with the systematic and expeditious move from Camp Hubbard in August. Archives has a room for microfilm reading, subject & name card files, old newspapers, documents, books, etc. They have compiled a 2-page outline of sources for genealogical research in this office. The State Library move was delayed until after the last Legislative session but will be most comfortable and convenient. The General Land Office records are also housed in the south end of the building. Parking facilities are extremely limited at all times; plan to take a bus or taxi or walk from the nearest parking ramps.

Copied from #1 Index to Marriage Records, Travis County, in the Office of the County Clerk, Travis County Courthouse, Austin, Texas, by Mrs. Jean Halden Walker. Index gives the year of marriage, groom's name, bride's name, and volume & page number of the Marriage Book in which recorded. Travis County (Co. seat: Austin) formed from part of Bastrop County (Co. seat: Bastrop) in 1840. A list of all "A" names of grooms (1850-1900) from #1 Index was published in our quarterly of Nov, 1960. The following chronological list gives "B" grooms (1847-1882) from pages 11 & 12 of Index #1. BATCHELOR-TURNER LETTERS (1861 - 1864)

We are proud to announce the expected publication of BATCHELOR-TURNER LETTERS (1861-1864), edited by AGS member Mrs. Helen Hoskins Rugeley. Due off the press 18 Sept., it concerns the letters of two of Terry's Rangers during the War Between the States (Civil War, to you newcomers). Their letters home were preserved, and will be of special interest to historians particularly because of a description of the death of Col. Terry himself. The index contains names of almost 400 persons & places, so both historians & genealogists are eagerly awaiting publication. We are indebted to the people who are giving us this contemporary material during Centennial Year.

Mrs. Rugeley's greatgrandfather, Lt. Benjamin Franklin Batchelor, was born in New York about 1828, and married Julia Amanda Turner of Galveston, Texas, daughter of Amasa Turner & Julia Morse, in Feb., 1859. He and his brother-in-law, George Quincy Turner, wrote the published letters. Lt. Batchelor died 13 Oct. 1864 in Rome, Georgia; his wife died in Gonzales, Texas, 15 April 1912. Mrs. Rugeley is a descendant of "Frank" Batchelor's daughter, Florence Cornelia (1861-1905) who married Thomas Franklin Harwood (1857-1929) of Gonzales, Texas. Their daughter, Cordelia Brown Harwood married Laurence Worth Hoskins from Terrell, Texas, and was the mother of our Helen Hoskins Rugeley. (We are genealogists, you know).

This book, belonging to a young man, has about 64 signatures of persons seemingly students at Goliad from that area of Texas (Ventana, Corpus, Concrete, San Diego, Charco, Devils Bend, Refugio, Lagarto) and a few from Sewanee & Nashville, Tennessee. If there is any interest in these names, places & dates, they can be printed.

Perhaps you are aware that the Austin Collection, Austin Public Library has a collection of old Austin City Directories extending back at least to 1872. In this 1872-73 MERCANTILE & GENERAL CITY DIRECTORY OF AUSTIN, TEXAS, Gray & Moore, is a map known as the P. de Cordova Map. With the aid of this & the directories & the 1875 handwritten census book of Austin, many of you can reconstruct the family & homes of people in Austin. Earlier records there run to 1841.

---

We are most pleased to announce that THE AMERICAN GENEALOGIST and ANCESTRAL NOTES FROM CHEDWATO plan publication early in 1962, possibly as a separate pamphlet, of a descriptive, alphabetical listing of all genealogical periodicals of the United States. AGS QUARTERLY has been asked to file data (and will) and hopes to announce this valuable listing to the membership when available. AGS members had planned a small-scale listing as a hand-out at meetings; this nationally produced listing will be far more important and useful to us. --- Meanwhile, whenever possible, exchange publications will be made available to the membership for examination. We expect to have a Librarian or someone for that duty. Our present exchange editor, Mrs. Pettibon, keeps them safely.
