

AUSTIN GENEALOGICAL SOCIETY QUARTERLY

Vol III, No. 3

Sept., 1962

Published by AGS of Austin, Travis County, Texas

A.G.S. is a non-profit organization chartered by the State of Texas & dedicated to creating and maintaining a society for the study of genealogical history and records & depositing & preserving such records in libraries & archives for the benefit of historians & genealogists. Meetings are scheduled for the fourth Tuesday of each month or as set by the Board of Directors.

The Sept. meeting is at 7:30 pm, Tuesday, 25 Sept 1962 in the downstairs auditorium of the Austin Public Library, 9th & Guadalupe. Our speaker will be new AGS President Lewis H. Carstarphen, discussing the origins of East Texas people. We must also elect from the floor three new members of the Nominating Committee. These will work with one member appointed by the President and one member chosen by the Board to choose the names of 20 new Board nominees for the terms beginning 1 January 1963.

Included in this issue is a copy of your AGS Charter & Constitution & by-laws. These should make clear our procedure for elections, etc. and the duties of the various officers and committees. Of course, as a hobby group, we often tend to be impatient with details of organization. We like to work on genealogy and not politics and committee work. But the present form of AGS government should be useful in allowing most members to concentrate on genealogy.

President Carstarphen is announcing the appointment of Mr. Seth D. Breeding as new chairman of the Membership Committee.

In the heat of August & September, your AGS Executive Committee, your Board and your quarterly Staff met. This starts our fall season energetically. It was decided that we do want to print queries in our magazine; remaining problems are length, form and whether paid or non-paid. Those queries on file, since they are brief, will be printed first when this section is begun.

The state organization TSGS has announced its annual meeting, November 23-24, 1962, at the Baker Hotel, Dallas. The banquet on Friday, 23rd, honors our Dr. Dorman H. Winfrey; speaker for this occasion is James M. Day, State Archivist. There are exhibits and 3 workshops on Saturday, 24th. Mrs. Abby Moran will direct a workshop on "Indexing & Cross-Indexing for Genealogical Purposes." And Mrs. Walter J. Achning (with Mrs. C. D. Leon, Mrs. Walter Burrell, Miss Mildred Dulaney & Mrs. Ralph A. Bickler) will direct the workshop on "Programs for Genealogical Societies." The third workshop, directed by Mrs. Charles L. Sarrazin, will be "Proving A Southern Pedigree." Tickets for both days' activities total \$10.25. Advance registration can be made with Mrs. Opal Bricker, 5807 Vanderbilt, Dallas 6, Texas--Telephone TAYlor 6-4052.

As many of you are aware, AGS lost one of its finest genealogists this summer with the death of Mrs. Paralee Parrish of Austin. Besides her many other activities, she was most active in the DAR and in copying records and tracing lines for AGS and individuals. Before her death, she gave AGS all wills she and her friend Mrs. G. A. Welsch had abstracted, for Travis County. Mrs. Welsch plans to continue this work with help. Mrs. Parrish provided that her collection be preserved for the use of other researchers. In this connection--remember to put something in your own wills concerning your genealogical collections.

EDITORIAL COMMENTS & INFORMATION

Our New AGS President, Mr. Carstarphen, is so involved in seeing to meeting notices, preparing his speech, holding & attending committee & Board meetings (not to mention living in this world outside of AGS), that he cannot be expected to write us a letter this time. We have had a fine record in programs & activities under the leadership of our friends, former Co-presidents Mr. & Mrs. Garland Barcus, this year; we will miss them while they are in Pakistan. Membership & attendance rose again, and many of the problems of a newly organized group were solved under the Barcuses' direction. Judging by the recent activities of our new President Carstarphen, we seem to have yet another worker leading AGS. But he is going to need your help. If you rush in and work now when we all need you, think of all the resting on your laurels you can do later on!

Exchange editor Mrs. Pettibon is trying to track down all the quarterlies mailed to AGS this year. Some go to various addresses. Mrs. Pettibon maintains a list of all quarterlies (for exchanges) as they come in in order to send back a copy of our quarterly in exchange. Unless she knows what has come in, AGS might be losing valuable chances to exchange. We have been compiling a complete list of all we have and hope to be able to turn it over to a Librarian this year (Note the by-laws of AGS). Newest exchanges were from Fort Worth, TSGS, Waco, Abilene, Oklahoma, Kansas, Louisiana, West Virginia, Connecticut, Indiana & Rhode Island. All copies for Exchange with AGS should be mailed to AGS at 2312 Enfield Road, Austin 3, Texas. Do not send them to the Editor or other officers, at present.

Oklahoma Genealogical Society is having a Conference on Genealogy at the new Okla. Center for Continuing Education at the University of Oklahoma in Norman, Oklahoma --dates: Oct. 12-13. Mrs. Abby Moran, head of SW History & Genealogy Dept. at Ft Worth Public Library will speak Friday morning, Oct. 12, on "A Librarian Looks at Genealogy." AGS has received details on tickets & programs.

We understand that the patron of genealogy at Dallas Public Library, Mrs. Margaret Pratt, retired this summer. She was most active in building the genealogy section there & in organizing genealogy classes in Dallas schools. A memorial fund has been set up, but we don't have details at this time.

Abilene has mailed out her EARLY CEMETERY RECORDS, prepared by West Texas Genealogical Society. This covers Taylor County cemetery records for 1882-1960 in Abilene City Cemetery, the Masonic Cemetery, the IOOF Cemetery (Book I, 159 pp) and Cedar Hill Cemetery (Book II, 96 pp). It covers cemetery lot deeds, burial records, tombstone inscriptions & anything else (obituaries, etc) they could find to check to make the records as complete & correct as possible.

The Spring, 1962 & Summer, 1962 issues of the GENEALOGICAL NEWSLETTER contain, by States, names of hundreds of "Newly-Published County Histories". There are 83 listed for Texas.

The San Bernardino Valley, California, Genealogical Society, a newly organized group, plans 4 issues a year called the Quarterly, with one issue extra to carry names of members & their ancestors. The Quarterly will be \$2.00 per year including the yearbook. Address: Mrs. Betty Stockwell, 1053 West 27th Street, San Bernardino, California.

Texas State Archives has been collecting their microfilms all together; we saw a large collection in the reading room corner recently. New card files were put in also. When all the cataloguing is done & all books unpacked, the Archives & State Library will be something wonderful. Oh, yes--don't forget that hour-parking limit out in front of the Archives & Library Building!

AGS welcomes Bible records which reach back several generations; we prefer that these definitely concern families which eventually came into Texas. Bibles are so often lost or destroyed or hard to locate. Verifax copies or photostats or exact copies of the material just as found in the Bibles should be filed for publication. Please do NOT mail in the Bibles themselves--or their pages.

CORRECTIONS & ADDITIONS TO PREVIOUS QUARTERLIES

Notice above, the listings of Mrs W. Curtis MITCHELL. She is interested in the ROSS family---p. 78, May '62 incorrectly listed the Roff family.

Remember that corrections & additions to our April quarterlies belong in the next April quarterly to insure that changes reach all places to which the original was mailed. File those changes in December.

The quarterly staff is delighted to have mistakes found or additions made. We want to make corrections. Each of you may be the only person who knows some fact--or tells it. Think of all our ancestors who didn't or couldn't leave us the facts; we can do better. Check it; double-check it; prove it; pass it on.

What we publish in your magazine has been the joint responsibility of, first your Education & Publicity Committee and now your Staff. When something is printed, it has passed through a literal barrage of planning, discussion, examination, decisions & problems of make-up & space, weighing of relative values & any known desires of members, as well as the physical aspects of copying & processing the records. April & May '62 quarterlies list your Staff; speak to them. Questionnaires, anyone? Mail them in to AGS--from the back of May '62 issue.

Included with this issue of the quarterly is to be an 8½ x 11 perpetual calendar prepared by AGS member Mrs. Richard P. Woods. This is a convenient size to carry in notebooks or folders & covers most of the period for which we need to know the days & dates. Mrs. Woods came to us from Waco Society & is active on your Staff. She is now making herself a looseleaf scrapbook of clippings of Col. Pearson's genealogy column "Your Brand & Mine" from the Austin TIMES-HERALD. Paste & glue wrinkle newsprint, so she uses a 35¢ bottle of Carter's Clean Grip Rubber Cement. A larger bottle dries out if not used up. Any misplaced cement can be rolled & rubbed off. She says it is better to place one column per page (using only one side of the notebook pages) so as to be able to insert pages chronologically if missed & to use looseleaf pages also so as to remove them for reproduction. She prefers staple-shaped to ring fasteners since pages lie flat & don't slip down & wrinkle in the closed notebook.

Mrs. E. L. Wilkins, 2217 NE 38th St, Portland, Oregon offers for 80¢ a copy of "1560 Townships in 67 Pennsylvania Counties."

A GOODLY HERITAGE, book by Ella Chalfant, U. of Pittsburg Press, Pittsburg, Pa, contains excerpts from many of the earliest wills of Old Allegheny Co. & indexes of will books 1, 2 & 3. Photocopies of these wills may be ordered at a reasonable price. Book price ca. \$3.50. Write Pittsburg Press to inquire.

Original copies of the Spanish Archives have been deposited in the library of St. Mary's University in San Antonio, Texas.

A new book--GUIDE TO PHOTOCOPIED HISTORICAL MATERIALS IN THE US & CANADA by Richard W. Hale, Jr, American Hist. Assn, Ithaca, Cornell Univ. Press, 1961. It lists source material by states, including census, church records, town, city & county records, ship's logs & personal papers.

Mrs. Edwinna Bierman, 8339 Doris St, San Gabriel, California has compiled a SUR-NAME INDEX listing some 600 persons with about 5000 Surnames. May be ordered from her for 65¢; stamps are acceptable. A 2nd edition is to be ready in the fall. Anyone may send in a list of surnames on which they are working; there is no charge for a listing. Enclose stamped, self-addressed envelope, and Mrs. Bierman will notify you when the next edition is ready.
