

AUSTIN GENEALOGICAL SOCIETY

Fall Quarterly

Vol. V, No. 3

September 1964

Published by AUSTIN GENEALOGICAL SOCIETY of Austin, Travis County, Texas, a non-profit educational organization chartered by the State of Texas to investigate, collect, record and deposit in libraries and archives the genealogical and historical materials of central Texas, especially those pertaining to Travis and adjoining counties, and to train members in the use of these and other reference materials in compiling genealogies and lineages.

Editor - DeWitt C. Nogue, P. O. Box 3441, Austin, Texas 78704. HI 2-0642.

Membership meetings are held the 4th Tuesday of each month except December, at 7:30 p. m. , in the 126th District Court Room, Travis County Courthouse, Guadalupe at 10th street. Visitors and prospective members are welcome at all meetings.

President's Letter

Many problems face any group that is in competition with other hobby-type groups for members who will join, pay their dues, attend meetings, take office, assist in making the programs interesting, and support the organization in all the ways that are necessary for success in this modern day of over organization and specialization.

Those who founded the Austin Genealogical Society, and the others who have assisted those pioneers of Austin in this effort to have a worthwhile genealogical society, are to be commended.

We need not only to continue the work of those who made the initial plans, but also to consider ways of improving the status and membership so that the Austin Genealogical Society will not only be an organization worthy of support, but one that writes its record of achievement in the contributions to the collection of material and records for the libraries and archives of the community, today and in the future.

We need, each of us, to be a working part of the membership committee, as well as members of other committees to which we might be assigned. We need not only to bring in new blood, particularly the younger people of the community who must be shown the importance of the work of the Austin Genealogical Society, but also to select and develop new leaders who can carry on the work and enjoy the pleasures of ancestor hunting and the study of the history of related periods and places.

There is often a tendency to continue to elect or appoint those who hold office or head committees. Granted that many of the present workers are of the best, but why not give the title and prestige to some of the younger of our members, and let the present excellent leaders be assistants to the new leaders? It is the time of year to consider plans for 1965; and you are all encouraged to do your part in setting a swift pace for the next year.

Sincerely yours,

/s/ Ralph E. Pearson

President

There are 458 recognizable graves with no identification; and it is known that many of the earliest burials were on the north slope, where there are very few markers.

History of Public Land

Mr. Jerry SADLER, Commissioner of the General Land Office, has had an excellent pamphlet, History of Texas Land, published, and makes it available without charge to persons who are interested. It is surprising to learn how closely the history of Texas has been tied in with its public lands. Members may obtain this booklet by writing Mr. Jerry SADLER, Commissioner, General Land Office, Capitol Station, Austin, Texas; or you may obtain a copy by telephoning his office at GR 5-2071 and telling his secretary you would like a copy mailed to you.

Telephone Directories from other Cities

Following the July membership meeting, Miss Lucette SHARP, charter member of Austin Genealogical Society, announced that she had been obtaining telephone directories of other cities through the local office of Southwestern Bell Telephone Co. A call to the local Business Office confirmed that a telephone directory for any town or city in the United States can be obtained for you, and the cost charged to your telephone bill. Sample prices from specific cities included Dallas for \$2.00 and Longview for \$1.00. In Austin, the Business Office telephone is GR 7-9511.

Always write SURNAMES in all capital letters, and Given Names in capital initials and lower case letters.

Utley Cemetery, Bastrop County, Texas

(At Utley, on Farm Road 969, just north of Colorado River; in poor condition, overgrown with mesquites and prickly pears. Copied by Miss Jane SUMNER.)

These were not all the marked graves, but all that she was able to get close enough to read. Many stones have fallen and are broken.

GUIDE TO GENEALOGICAL RECORDS IN THE NATIONAL ARCHIVES

A new publication, #64-8, titled as above, has just been issued in 145 pages, and describes records available, and how to get them. Unusual items listed include a special 1890 census (in V. A. records), indexes of Boston customs passenger lists 1848-91, and New Orleans 1820-1902, registers of Army Commissions 1792-1899, enlistment papers 1800-1912, compiled military service records cards, "Old War" pension applications, bounty-land warrants, disabled volunteer soldiers 1866-1934, and many other categories. Supt. of Documents, Govt Printing Office, price 50¢.

Martin Church Cemetery, Hays County, Texas

(On paved Farm Road 2001, 5 miles southeast of Buda; in excellent condition, with perhaps a third of the graves unmarked. Copied 1964 by Mr. & Mrs. D. C. NOGUES.)

Winter Quarterly to Feature Family Bible Records

The Winter issue of the Quarterly, due out by the end of December, will feature the Family Bible records turned in by members and their friends. In many instances, the records in the Family Bible are the only ones in existence on some members of a family. If you have an old Family Bible, or if you know of one among the older members of the family, please make a copy of its title page and date of issuance, plus all the births, deaths and marriages (or any other important entries), and send it to the Editor. Typed or photocopies are preferable, but hand copies will do.

Caradan Cemetery, Mills County, Texas

1965 Spring Quarterly Ancestor Registry

The AUSTIN GENEALOGICAL SOCIETY Family Data Sheet on the back of this page is designed to simplify preparation of ancestor data for the Spring 1965 Quarterly. This data sheet can be copied on any typewriter; or the printed forms may be purchased from the Treasurer, the Secretary or the Editor. Although the deadline for receipt of these forms is 1 February 1965, the staff will appreciate receiving them earlier, so that a lot of the preliminary work of putting the information on index cards can be accomplished in advance of the deadline.

Each member in good standing (1965 dues paid) may submit as many as 20 new data sheets for this issue (covering 40 individuals). All ancestors and ancestresses will be indexed by surname, as in the 1964 issue. Corrected or amended data sheets on individuals appearing in the 1964 issue will not count against the 20 new data sheets. You should supply new data sheets on any individuals on whom you have obtained new or corrected information since publication of data in the 1964 Spring Quarterly.

Although the data sheets are simple, additional instructions appeared on page 81 of the Summer Quarterly on writing surnames, women's surnames, dates, places, children's names, and other items. If you have any questions on how to fill out these forms, you may call any of the officers for assistance. Your cooperation will be appreciated by the editorial staff, and will make our Quarterly a better reference.

INSTRUCTIONS:

1. Make a separate Data Sheet for each marriage of the ancestor on this page, if he was married more than once. Note in short blank immediately following the word, "married", whether the marriage on this page was his 1st, 2nd, 3rd, or which.
2. Make a separate Data Sheet for each marriage of the ancestress on this page, if she was married more than once.
