The Society was organized in 1960 as a non-profit organization chartered by the State of Texas. Its purposes are to collect and preserve genealogical and historical information of Texas, particularly that which pertains to the city of Austin, Travis County, and adjoining counties; to instruct and assist members in genealogical research; and to publish public and private records.

Membership is open to all upon payment of annual dues of \$4.00. Family memberships are available to members of an immediate family in the same household for \$6.00. Library memberships are \$2.00.

Meetings are held in the Howson Branch Public Library, 2500 Exposition Boulevard, at 8:00 p.m. on the 4th Tuesday of each month with the exception of December.

The Society's Quarterly is published in March, June, September and December and is sent free to members. Additional single issues are available for \$1.00 each. Members are urged to submit genealogical information and articles of interest. Contributions will be accepted at the discretion of the Editor.

MARRIAGE RECORDS - ST. MARY'S CATHOLIC CHURCH
AUSTIN, TEXAS
1853-1875

Compiled by
Mrs. J. M. Pinckney, Jr. and Mrs. Marcella D. Spiller

On the cover of this quarterly is a picture of the first Catholic Church built in Austin. It was first known as St. Patrick's Church when it started services in the fall of 1852, and was located at the northeast corner of Brazos and Ash Streets (now 9th Street). During the pastorate of Reverend Nicholas Feltin (1864-1874) the name of the church was changed to St. Mary's of the Immaculate Conception. St. Mary's is presently located at 203 E. 10th St.

"Local and Personal"

Fire - A fire occurred on Pecan St. yesterday, about 1 o'clock. The flames were first discovered issuing from a small frame house, the property of Mrs. Elgin, adjoining the property known as the Missouri House, now the Austin Hotel, kept by J. L. Nichols. All the premises known as the Elgin property were consumed. It was only by extraordinary exertions upon the part of our Hook and Ladder Company, assisted by the citizens of the place, that the hotel building was prevented from being also consumed. The kitchen and outhouses attached shared a rough fate. They were destroyed by being torn down in the effort to prevent the fire from spreading. All the furniture of the Austin City Hotel is badly damaged; some of it was entirely destroyed in removing it hurriedly from the vicinity of the flames. The damage is estimated, all told, at \$3,500.

The city has as good a hook and ladder company as any on the continent. The members are the best fire fighters we have ever seen. They have no engine, however; and all they can do is to prevent a fire from spreading. The city, we understand, has never had enough money ahead to pay for a fire engine. Certainly no place needs one more than Austin. In this connection, we are reminded that we have seen lately a correspondence between Mr. Wm. H. Crisp and the fire company at San Antonio, during his late visit to that city, in which the company acknowledge a benefit given by his theatrical troupe to aid them in purchasing a fire engine. Mr. Crisp will propose the same thing here, we learn.

Another fire. Last night about half past 11 o'clock, the store room fronting Congress Avenue, occupied by Stafford Bacon and Ben Radkey, was discovered to be on fire. The flames soon spread to the adjoining buildings, which, like the first, were wooden structures; and all efforts to save them proved fruitless. Messrs. Wolfe & Blomeke sustained a loss of \$15,000. Almost their entire

stock of goods was consumed. Mr. Petmecky lost everything. Messrs. Sutor & Hirschfield lost about \$20,000. of their mercantile stock. Stafford Bacon lost all of his stock. Mr. Radkey who occupied a portion of the same building, as a tinner, lost all. C. H. Fox, saddler, lost his whole establishment. The fine store house occupied by T. Evans as a wholesale & retail fancy and family grocery store was consumed. Evans' loss is about \$1,500, only, most of his stock being saved from the flames by extra exertions and the fact of the house being a stone building it did not take the fire so easily. The total loss so, is estimated at \$125,000. We will endeavor to find out more particulars and give them in tomorrow's issue. Todd's building was also burned; he lost everything.

Notice this - Any one having any knowledge of the whereabouts of any property whatever belonging to the Hook and Ladder Company, are requested to give information of the same to William H. Cushney, Foreman of the Company, at this office.

The Crisp troupe leave our city today for Bastrop, where they will entertain the lovers of the drama during the week. They will then return to Austin, and probably remain with us during the summer months.

The Fire Last Night - In consequence of the great fire last night, Hannum's Saloon at the old John Horao stand, has reduced prices to 15¢ per drink. Mr. Hannum received this morning a fine supply of ice, which, together with his choice liquors and splendid billiard tables, makes his establishment the centre of attraction.

Knocked on the Head. On Monday night during the exhibition of Reynolds' Varieties, one of his watchmen, who was keeping an eye to the outside of the pavilion tent, was struck by a 4 lb. rock on the back part of the head. The

(cont. from Daily Austin Republican)

projectile was hurled with a force indicative of more than ordinary strength in the muscular development of him who threw it. The victim was pronounced past recovery, but was taken along with the show next morning when it left for Webberville.

The Fires - More Particulars, etc, The following list embraces the buildings destroyed by the fires of Monday and Monday night last. The dwelling house belonging to Mrs. Elgin, occupied by Mrs. Illingsworth. An adjoining building on the same lot occupied by a Mr. Price with his family. The kitchen and other out houses on the lot. Mrs. Illingsworth saved her furniture while that of Mr. Price was destroyed. The estimated loss of the above property is \$2,500. The dining room and the kitchen of the Austin Hotel, on the adjoining lot, were destroyed. The damage to this property including Mr. Nichols' loss of furniture, etc., he estimated at \$1,000.

By the second fire, at night, Mr. Bacon lost his stock of goods, about \$5,000. worth; Mr. Radkey, his material for his tin shop, his stoves on hand, etc., which he says was worth \$4,000. Messrs. Wolfe & Blomeke's loss is estimated at \$12,000. Mr. Petmecky's loss consists in the apparatus and fixtures of his gun shop and would probably be covered by \$800. Messrs. Sutor & Hirschfeldt thinks they lost about \$10,000. worth of their mercantile stock. Mr. Fox, saddler, lost all he had in stock, about \$1,000. worth. Mr. Evans' loss was, he thinks, about half his stock, say \$1,5000. worth. Mr. Todd, gunsmith, lost in stock and material on hand, about \$1,000.

Mr. Todd's building was worth at least \$2,000. If the stone walls are not materially injured it can be repaired for perhaps \$1,000. The store room which Mr. Evans occupies is badly damaged, the loss on this building we think at least \$3,000. The wooden buildings entirely consumed are estimated as worth about the following figures, that is, it would cost about these figures to replace them as they were before the fire. The property known as the Dietrich property consisting of a two story frame building on the corner of Congress Avenue and Pecan St. at \$6,000.

The one story frame building occupied by Bacon & Radkey at \$2,500. The two story frame building occupied by Wolfe & Blomeke, owned by Alfred Smith, at \$1,500. This building was in a dilapidated condition, and though it ought not to have been burned, yet the lot we think is better without it than with it. It was an eye sore to the passer by. We think the sum of \$1,500. would cover all contingent losses, including the small buildings occupied by Fox and by Petmecky and others perhaps. Our estimates foot up a loss of \$55,300. We understand there was no insurance. Mr. Evans' stock had been insured but the policy had expired a few days since and had not been renewed.

Mr. Evans has removed the remainder of his stock to the stone store room known as the Ziller building on the corner of Congress Avenue and Pecan St., opposite the Dietrich corner. Messrs. Sutor & Hirschfeldt are occupying one of the brick store rooms on the Avenue, largely erected by Mrs. Wahrenberger.

We understand from several who were present at the first night, that there was considerable disgraceful plundering indulged in, and much that was intended was checked by the free exhibition of six-shooters and other warlike paraphernalia.

Why don't the Trustees, or whoever is engineering the construction of the

building, put the roofing on the new Christian Church? It does not need a roof, this dry weather, it is true; but then it will. Will not our citizens aid in this object? The building occupies a commanding position, and it ought to be finished.

Soda Fount - An excellent article of soda water cooled with ice can be had at Messrs. Alexander & Thompson's drug store. The ladies of Austin, we know, if they once partake of this cool and refreshing beverage, will thank these gentlemen for providing such a luxury in this warm weather.

Our readers will not forget to visit the new Restaurant kept by Th. E. Cramer, on Pecan St., and partake of his good dishes, served by a master cook.

The Lemon Syrup, at Baker, Raymond Co's., is the best article in Austin. It is manufactured by themselves, of sugar syrup and lemon acid, free from all adulteration.

The crops in this vicinity are needing rain badly. A good season now would be cheering.

Brizendine & Kirk have opened a drinking saloon in the Alhambra Building, at the head of the Avenue. Their liquors and cigars are first class.

"Funeral Notice" - The friends and acquaintances of Mr. W. G. Denny and family are requested to attend the funeral of "Charlie", infant son of Mr. and Mrs. C. A. Denny, from their residence at 5 o'clock this afternoon.

Fire. The kitchen on the Custard property, N.E. of the Land Office Bldg., took fire on yesterday from the stove pipe, and some considerable damage was done to the roof before the fire was extinguished. ... The Elgin property, which was destroyed last Monday, caught fire in a similar way. The cause of the fire on Monday night is not positively known.

Communicated. On Weds., the 10th inst., the afternoon, in the Colorado River, near the residence of Jno. M. Costly, Esq., his daughter Betty, about 10 years old, and Mary, the daughter of a neighbor lately moved to this county, of the name of Griffin, a year or 2 older than Miss Costly, were unfortunately drowned, while bathing. They were in shallow water, when a son of Mr. Costly accidentally came in sight, and to screen themselves from his view they ventured further from the bank of the river, but, unfortunately, sooner than they expected, they were beyond their dept. About this time the youth, discovering their perilous condition, rushed in to their rescue, but, finding they were about to cling to him in such a way as to endanger his life, he was reluctantly compelled to abandon them and hasten to his father's house, to be the bearer of the sad intelligence of the fate of the two girls. The body of Miss Griffin was recovered before sundown, and that of Miss Costly this morning. The parents and friends of the unfortunate children have the deep sympathy of all who know them, in this dark hour of their bereavement.

WILLIAM BARRET TRAVIS

William Barret Travis was born in Edgefield Dist., So. Carolina, August 9, 1809. Moving in 1818-20 to Alabama, Travis studied law and was admitted to the bar in 1828, or early '29. He set up his own law office and practiced until 1831, when he came to Texas. Involved in the Anahuac disturbances in 1832 and the leader in the Tenorio affair in 1835, Travis was known as a member of the war party in Texas. He was elected to the Consultation of 1835, but probably was not present, due to being stationed at San Felipe as chief of the recruiting service late in 1835. He was made Lieut. Col. of Cavalry on December 24, 1825. Col. Travis proceeded to Bexar in February of 1836 and commanded the Texas forces against the Army of Santa Anna. On March 6, 1836, Travis died at the Alamo. Travis County was created and named in his honor on January 25, 1840. (pp. 181-182 Biographical Directory of the Texan Conventions and Congresses 1832-45.)
