The Society was organized in 1960 as a non-profit organization chartered by the State of Texas. Its purposes are to collect and preserve genealogical and historical information of Texas, particularly that which pertains to the city of Austin, Travis County, and adjoining counties; to instruct and assist members in genealogical research; and to publish public and private records.

Membership is open to all upon payment of annual dues of \$5.00. Family memberships are available to members of an immediate family in the same household for \$7.50. Membership for libraries is \$2.00

Meetings are held in the Howson Branch Public Library, 2500 Exposition Boulevard, at 7:30 p.m. on the 4th Tuesday of each month with the exception of December.

The Society's Quarterly is published in March, June, September and December and is sent free to members. Additional single issues are available. Members are urged to submit genealogical information and articles of interest. Contributions will be accepted at the discretion of the Editor.

RECORD OF CONFEDERATE MORTUARY WARRANTS - VOL. I  
Travis County - 1917-1936

Copied & Edited by Jean Halden Walker.

This record may be found in the Texas State Archives, Austin, Texas. It was copied in September 1970.

The following was copied from the front of the record book. "The First Mortuary Warrant to Confederate Pensioners was issued in May 10, 1917, Warrant #1 for \$30 issued on account of the death of J. M. Sharp File #10606 Cherokee."

The book is arranged alphabetically by counties of Texas and chronologically, as issued, in each county. Claimants were sometimes undertakers but most often were relatives. Death was about the date of the warrant.

File numbers refer to the Confederate pension files, often full of genealogical data and usually including the application for warrant, date of death, where died, often relationship of person in whose home they died, and were buried. Veterans may have died or been buried elsewhere but apparently had applied for their pensions in Travis County. Some of the warrant applications are missing from the pension folders.
