# ROLL OF COMPANY G 16th TEXAS INFANTRY -Civil War-

### Copied by Lucie C. Price

The following records of Company G, 16th Texas Infantry are from an original book in the possession of Mrs. Earnest Jarmon of Austin, Texas. She inherited the book from her grandfather John O. Johnson (Johnston). Some of the pages are missing but seemingly the names of most of the men are intact. We appreciate Mrs. Jarmon's permission to copy these records. She also had the pamphlet compiled by Fred Carleton which immediately follows the Roll.

A newspaper clipping was pasted in the book - which reads as follows:

(written in pencil - Jany. 28, 1916)

CELEBRATES HIS ARRIVAL IN AUSTIN

City Clerk reached the Capital Fifty-six

Years Ago in Stage Coach.

The Express Austin Bureau.

Austin, Tex., Jan. 30 - Colonel John O. Johnson, for the past twenty years City Clerk of Austin, today celebrated the fifty-sixth anniversary of his arrival in Austin. He came from Tennessee. In recalling the date of his emigration to Texas, Colonel Johnson told of the various modes of travel that it was necessary to use to reach Austin in those early days. He traveled by wagon, rail, water and stage coach. The last lap of the journey to Austin was made by stage.

"I traveled the first fifty miles from my home in Tennessee by wagon," said Colonel Johnson. "From Jackson, I went to Memphis by rail, and from Memphis to New Orleans by boat. The trip from New Orleans to Galveston was made by steamship, and from Galveston to Houston I traveled aboard a steamer. The trip from Houston to Hempstead was made by rail and I came from Hempstead to Austin by stage coach at the rate of 15 cents a mile, and at that I walked a big part of the way, carrying a rail with which to pry the coach out of the mud."

Colonel Johnson has resided continuously in Austin for the last fifty-six years.

Capt. Fred W. Moores G Company was in Col. George Flournay's Reg. of Texas Volunteers. It was called into the service of the Confederate States in the Provisional Army under the provisions of the Act of Congress, passed Feb. 1861 from the 15th day of March 1862 (date of this muster) for the term of three years or the War. (Texas State Archives, Muster Roll #1632.)

The 16th Texas Infantry Regiment was assigned to John G. Walker's Division the latter part of the War and fought in Banks' Red River Campaign during the spring of 1864. The Regiment did particularly effective work at Mansfield (La.) on April 8, 1864 and Pleasant Hill (La.) on April 9, 1964. (Texas in the War 1861-1865 by Marcus J. Wright)
