Comments

This issue closes out year 1995 and the Editor thanks everyone who contributed or helped in any way to provide the material published in these four issues. The Quarterly is only the sum of the material submitted and we feel fortunate that we have received as much as we did. Additional submissions dealing with genealogy, family histories and traditions and stories about individuals are always earnestly solicited, not only from members but from anyone. If you are in possession of information pertaining to Texas generally and the Austin area in particular we'll be glad to receive it. We can't promise to publish everything received but the odds are reasonably better than winning the Texas Lottery.

Please note the letter published on the following page concerning Alamo defender Allen Douthit. We think it is both a genealogical and historical gem and sincerely thank member Betty Smith for sending it. Betty's experience should certainly encourage any of us never to lose that sense of query and quest. We never know what the next little hunt may turn up, as she so profitably found out.

Another tireless worker for AGS through the years is Newsletter Editor **Wilena Young**. We doubt there has been anyone over the last dozen or so years who has spent near as much cumulative total time on Society matters as she has. More than a dozen times each year, counting extra mailings, she has to get, obtain, solicit, beg, gather, you-name-it, material for the next issue. Then she has to format and arrange it into readable form which she does so nicely, and type it into printer-ready form. And finally she has to see that it gets to (and out from) Ginny's, our Newsletter printer. Enough to give anyone a hair-trigger temper. Anyone, that is, except Wilena. If anyone (husband excepted) has ever seen anything but that great big beautiful smile on her face, remember the occasion. It would be a rare occasion. Thanks for everything, Wilena.

The AGS Board is currently mulling over plans for next year's tentative Seminar. The matter has already been earnestly discussed and if we are to have one it behooves some one or other among the general membership to volunteer as chair. Our membership level is decently high but we do need to provide some relief for those who have worked themselves dry in its behalf year after year. If anyone has thought 'well, they've never asked me' we apologise. Please let us know, and then we will!

Starting on Page 120 are continued the Goudreau listings of the Travis County 1850 Census with additions. Please note that their address is incorrect in the AGS 1995 Membership Handbook. It should correctly read: **Barbara and Jerry Goudreau, 2425 Ashdale Dr., #31, Austin TX 78757-8152**. The phone is correct: 371-1772.

Dear Mr. Koehler:

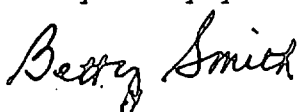

Juanita Dodgen asked that I write you just what I told her recently so that I could be "published".

Last January I was confined to my home with an infection and decided to "go through some old pictures". In the drawer I found a letter written to me by my maternal grandmother in 1958 after the death of my husband. She said she had been planning to work on the family tree but just hadn't gotten around to it and in case she didn't she wanted me to know that her mother's name was Aura Jayne Cotten and her mother's name was Stanley, but she did not know her given name. No mention of birthplaces or parents or husbands. She also added that she had a great uncle by the name of Allen Douthit who died at the Alamo. When I showed the letter to my son he was so excited that he went immediately to the library and checked out some books on Texas history. He found an A. Douthit in Militia List #20, Northeast beat. Knowing that defenders of the Alamo received land grants he then went to the State Land Office. The assistant there went to the files and pulled out the ORIGINAL letter written by Allen's mother Mary to Commissioner Of the Court of Claims asking for Allen's land grant and his back pay. Mary's letter listed all of Allen's eight siblings. What a treasure-trove for a novice genealogist!

When I was in the Genealogy Library in Dallas a Daughter of the Republic of Texas heard what I was working on and came over to my table to insist that I pass on the information to the Daughters in Austin. They referred me to the Alamo. I spoke with a Dorothy there who asked me to send her what documentation I had. Later I was in touch with Tom Lindley and he said she had sent the information on to him.

All of which just shows what can result from a day spent "going through old pictures."

Very truly yours,

Betty Cravens Smith

Book Review

THE BRENDLINGER FAMILY HISTORY 1660 - 1994 by LeRoy R. Brendlinger, 2043 Needhammer Rd., Pottstown, PA 19464; printed by Smale's Printery, Pottstown; © 1994; \$40 + \$5 for shipping and handling; order from author. Clothbound; gold-embossed cover, ca 6.25 x 9.5"; 528 pp.; 55-page full-name index; photographs, drawings and maps.

The Brendlinger Family History is far more intensively researched than most, both as to historical background and to places and dates. Dr. Brendlinger, president emeritus of Montgomery County Community College at Blue Bell, Pennsylvania, traveled to Germany where he obtained many pertinent pictures, and researched a number of old books and documents which tell the story of immigration from Germany to Pennsylvania early in the 18th century.

The author is particularly interested in preserving the Pennsylvania German language (often called Pennsylvania Dutch by people who do not know that *Deutsch* means *German*). Most of the emigrants had spoken a German dialect known as Swabish/Zwabish, but the official language was "*Hoch Deutsch*" (High German). Some of the phraseology of this book suggests that the author grew up in a German-speaking home, and he shares with the reader many interesting facts about and amusing examples of the dialect.

Prefacing the actual Brendlinger-Brentlinger-Brandlinger-Brantlinger genealogy is an informative chapter entitled "Influential Historical Events" that should especially interest any German descendant. Eighteenth-century village life and the locales of ancestors are described in detail, profusely illustrated by excellent photographs, maps, magazine ads, and documents. A vivid description of the nightmare that the immigrants endured is heart-rending.

A chapter minutely describing "The Return Trip to the Homeland" should be extremely helpful for those who contemplate a visit to the earliest-known hometown of some of their ancestors.

The genealogical format used in this book is unusual but quite clear and complete. Between charts that are very easy to read, there are sections of additional information in narrative form. Each group is carefully designated as descendants of their father and his direct line back to "Josef, son of Hans Jerg Brendlinger in Ditzingen, Germany." The highest numbered individual noticed was 1496, but many numbers are repeated in other branches of the family.

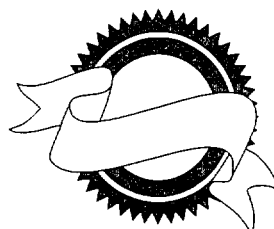

As in most genealogies, there are Brendlingers that have not been positively positioned on the family tree, three of whom are said to have fought in the American Revolution. The author urges readers to track down any such missing links in his work.

The index, although in extremely small type, is excellent in format. Column heads read: Surname, First; Family Number; Page Number. Each baptismal name is on a line alone, indented under the surname. Maiden names are in parentheses; surnames of spouse in brackets.

A comprehensive bibliography completes this admirable book. Dr. Brendlinger's thoroughgoing efficiency (except, perhaps, in spelling) is in contrast with the delightful frivolity of the swash initial letter in the running heads.

Austin Genealogical Society members thank him for his gift, which should be helpful to many patrons of the Genealogy Collection of Texas State Library.

Genealogy from the Travis County, TX 1850 Federal Census

In the last issue we began printing installments of a compilation by Barbara and Jerry Goudreau of genealogy they have gathered mainly from the 1850 Federal Census of Travis County, Texas. They are doing this by families as listed in the Census, with any added information they have obtained from Travis County vital statistics and deed records, cemetery records, and extensions where possible into the 1860 Census of Travis County. This forms an excellent genealogical check point or take-off point for anyone with roots back to this time and location and we are pleased that the Goudreaus have given AGS permission for this printing. The next portion of this compilation, starting with Family #17, begins on Page 122.

These data are informal and, of course, only a framework for in-depth genealogy. The Goudreaus and this Editor offer this as a service to the members and do not vouch for the accuracy of the material.

We do solicit additional information on any of these families. In fact, we already have received some data on three of the first 16 families covered in the September issue and include it immediately below. Since this procedure will be on-going and in order to keep it manageable, **if you have information on any of the current/forthcoming families, please send it in writing to**

**Barbara Goudreau
2425 Ashdale Dr., #31
Austin TX 78757-8152**

including your address and phone. (Note: Barbara's address is incorrect in the April 1995 AGS Membership Handbook.) It is hard to take such data correctly over the phone and we will appreciate your consideration in this respect. In the long run we will all be able to profit by the additional completeness and accuracy which this affords.

Additional information on **Family #2**, shown as S.A.J. Haynes:

The listing should be **S.A. J. Haynie**. He and his wife are buried in the old Burnet Cemetery in Burnet County TX. They are listed in the Burnet County TX 1860 Federal Census. **Nancy Shurtleff, 11901 Hornsby St., Austin TX 78753, 836-5105** informs us this is her family and anyone desiring more information should contact her. (Ed. Note: Family# 53, below, is Haynie, Thomas J. Is there a relationship?)

After his unfortunate marriage, sold his land to Col. Banks 1851 and moved away; some say he moved to Mexico. Some info. came from History of Austin And Travis Co. by Mary S. Bartley and Old Timers. He came about 1827 or 1828 and called the place where he built his home Webber's Fort; later it was Webber prairie and later known as hell's acre or hell's half acre.

To Be Continued in the March 1996 Issue

October 1995 Genealogy Tip

The largest and most comprehensive index to family histories is THE AMERICAN GENEALOGICAL BIOGRAPHICAL INDEX--also called Rider's Index for the editor. The many volumes will reference over 12 million articles, books, and brief biographies when the project is completed. The primary emphasis is family genealogies to 1950 but other valuable genealogical collections are included like the BOSTON TRANSCRIPT (a newspaper genealogy column with wide circulation), the complete US 1790 census, and Revolutionary records from most of the colonies. Although not an every-name index, AGBI is an extensive personal-name index which excludes only persons mentioned incidentally or those unrelated to the subjects being indexed such as witnesses or authors. Each entry contains the subject's complete name, birth year and state if known, highly abbreviated biographical data, and the book and page citation. Every volume contains an excellent explanation of the index. Full bibliographic citations to the sources indexed are found in Volumes 1, 10, 34, 54 and 70--over 850 sources are being indexed. Our Texas State Library's collection begins with volume 18 (the first name is BRANCH) and continues to the latest volume, number 180 which concludes with TRIPPATT. The library slowly continues to acquire volumes beyond 180 but volumes prior to 18 must be accessed elsewhere or by interlibrary loan.

FAMILYSEARCH PROVIDES ACCESS TO WORLD'S LARGEST GENEALOGICAL COLLECTION

The AGS has received a press release from the LDS Library concerning the installation in their library systems of a combined data base and search capability called 'FamilySearch'. This permits anyone to search for ancestors more easily and much faster than ever before possible.

FamilySearch is an automated system of family history information combining the extensive data contained in the LDS Church's family history computer files and maintained on CD-ROM discs along with a fast-operating computer search program for extracting information in a meaningful and useful manner. 'In the field of genealogical research, 'FamilySearch' is the state of the art.' commented Charles Lowe, a former director of the LDS Family History Center in North Austin.

The research procedure basically involves 1) typing in the name you are looking for, 2) finding the name on the page displayed from the index, which is in alphabetical order, and 3) copying pertinent data about that name either by hand, computer printer or on your own floppy disc. FamilySearch presently offers users access to 266+ million (and increasing) names. Names are categorized in files.

Over 241 million names are in the International Genealogical Index (IGI) file, the largest single genealogical source in the world. It provides birth, christening or marriage information from the early 1500's to around 1993 and will continue to be expanded.

The Ancestral File contains 25 million names linked into families and pedigrees, displaying information by individual, family group record, pedigree chart or descendant's chart. Names and addresses of individuals contributing information are listed. Highlights from this file are royal names from the pre-1500's.

The Family History Library Catalogue File lists the contents of the Family History Library in Salt Lake city including 258,000 books and 1.8 million microfilms. Thousands more are being constantly added.

FamilySearch also includes the Social Security Death Index and Military Death Index Files, which include S.S. deaths for 1962-93 and military casualties for the Korean and Viet Nam conflicts.

Continually being improved, this program gives a researcher at any LDS Family History Center the capability of reviewing in detail essentially the complete LDS Library contents from a computer console.

The Austin Genealogical Society

GENERAL INFORMATION

PURPOSE: Austin Genealogical Society was organized in 1960 as a not-for-profit corporation chartered by the State of Texas. Its purposes are to collect and preserve genealogical and historical information about the people of Texas, particularly pertaining to the City of Austin and to Travis and surrounding counties; to instruct and assist members in genealogical research; and to publish public and private records of genealogical interest. In addition, the AGS supports the Genealogical Collection, Texas State Library by donations of books and other genealogical material. Gifts and bequests to AGS are tax-deductible to the full extent permitted by law.

MEMBERSHIP is open to all upon payment of annual dues: \$15 per individual, or family membership of \$17 for two in the same household, entitling them to one copy of each Quarterly and monthly Newsletter, as well as two pages apiece (a total of four pages for \$17 whether one or two people submit listings) in the Ancestor Listing issue (June). **After 1 July**, dues are \$7.50 for the balance of the year, but you will only receive the publications produced after the date you join.

DUES FOR EXISTING MEMBERS ARE PAYABLE on or before JANUARY FIRST of each year for the ensuing year. If dues are not received by 1 February, the name must be dropped from the mailing list. If membership is reinstated later and Quarterlies and Newsletters have to be mailed individually, postage must be charged. (Back Quarterlies are supplied only IF available--very few extras are printed). Send payment to **AGS Treasurer, P.O. Box 1507, Austin TX 78767-1507.**

MISSING COPIES: If your Quarterly does not reach you by the 10th of April, July, October or December, notify the Society at Box 1507, Austin TX 78767-1507. (Note: Exchange Quarterly Chairmen should use the TEXAS STATE LIBRARY address on the inside front cover). Members who fail to give AGS sufficient advance notice of address changes and whose Quarterly is returned by the Post Office will be responsible for the postal fee for returned copies and for remailing the copy at individual rather than bulk mailing rates.

MEETINGS of the general membership begin at 7:30 p.m. on the fourth Tuesday of each month except August and December. Members are encouraged to come as early as 6:30 to socialize with each other. **MEETING PLACE:** Eaton Hall, Covenant Presbyterian Church, 3003 Northland Dr. (Take Northland (FM 2222) exit off Loop 1 (Mopac). The Church is on SE corner of intersection and entry to parking lot is off Northland. **VISITORS ARE ALWAYS WELCOME.** The Board of Directors meets at 6:15 in a separate room.

BOOK REVIEW POLICY: Books on appropriate subjects related to genealogy will be reviewed, but CANNOT be reviewed in AGSQ on the basis of advertising alone. If a review copy is received by the Review Editor at 2202 W. 10th. St., Austin TX 78703 by the first of February, May, August or October, it will be reviewed in the next Quarterly, space permitting. It will then be placed in the Genealogy Collection, Texas State Library, available to all patrons.

CHECK RETURN POLICY: Members and other payees must pay AGS the cost of any returned check (currently \$5.00) over and above the charge their bank may impose.

AGS QUARTERLY is issued about the middle of March, June, September and November. Contributions are welcome, subject to editing for style/size. Contributor is completely responsible for accuracy and any copyright infringement. AGS assumes no responsibility for content of submitted material. See inside front cover for address.

ANCESTOR LISTING PAGES (June issue of Quarterly) must reach the Editor at 4500 Hyridge Drive, Austin TX 78759-8054 by the TENTH OF MAY. They must be BLACK and LEGIBLE, whether typed, handwritten, computer-printed or in superior calligraphy. Months must be SPELLED or abbreviated, not in figures. DATES SHOULD BE SHOWN in accepted genealogical style, that is, DAY, MONTH, YEAR. Allow space for binding at inner margins of facing pages; i.e., your first page will be a left-hand page. Carefully check horizontal pages (reading in the 11-inch direction). Otherwise, the Editor has to position some pages upside down to prevent loss of data in the stapling-punching process. NO 8½x14 sheets, please!

You may submit Lineage or Family Group charts, Ahnentafels, narratives, cemetery inscriptions, Bible records, census data, queries, or a combination of material, just so it is not under copyright. BE SURE to proofread your material for accuracy and clarity so we will not publish faulty or incorrect data. Put name and address of submitter **on each page** in legible form (not blind embossed). Consult a recent June Quarterly for suggestions. Remember that reproductions are dimmer than originals so try to provide good quality originals.

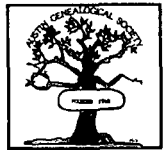

REMEMBER: \$15 membership secures two facing pages.
\$17 membership allows you four pages.

DEADLINES for everything in the Quarterly except book reviews: 10th of February, May, August and October. Material sent addressed only to AGS Box Number may not reach Editor in time.
