1997-1998 BOARD ELECTED

At the October regular general meeting of the Austin Genealogical Society, the following Society members were elected to the two-year 1997-1998 term on the AGS Board of Directors: Kelly Barnhill, Lorrie Foster Henderson, Lois Henegar, Roberta Jenkins, Bill Koehler, John L. Miller, Col. Putnam Monroe, Bill Nash, Jr., Clarice Neal, Lilliam Ramirez, and Wendy Clark ex-officio as State Library Supervisor. They join the 10 members serving the current 1996-1997 term to comprise the full Board.

PLANNING FOR AN APRIL 1997 AGS SEMINAR

Plans are continuing to develop aiming toward an April 1997 Seminar. Tentative sites and speaker have been identified but not finalized and we forbear mentioning them until definite commitments have been made. Since the next Quarterly is not issued until March 1997, please look for announcements in your upcoming Newsletters in the meantime.

CD-ROM DISCS AVAILABLE IN THE TEXAS STATE LIBRARY

An anonymous inquiry in the book donation bag at the October general meeting requested acquiring New York census data at the Library. This is certainly a valid suggestion. Clarice Neal, our book acquisitions chair notes that there is a growing bank of genealogical data on the CD-ROM discs at the library, including census data. Many patrons who browse the microfilm and card catalogs may overlook them. This project started out by way of a donation from member Robert Casey and IBM, and he and the Central Texas PC Users Group (Genealogy SIG) have been instrumental in acquiring and maintaining these data, for which we can all be very appreciative. For your information, on Page 192 we copy a page from their Welcome newsletter of 27 July, 1996 which lists the CD holdings to date at the library. As

you can see, there's quite a bit of information on those disks. If you need any assistance, Wendy and the Library staff are always there to help.

DUES FOR 1997 ARE PAYABLE NOW

Don't forget to pay your 1997 dues by 31 December, payable to Treasurer, AGS, Box 1507, Austin TX 78767-1507. We need early payment so that when the 1997 Membership Handbook is prepared it will be as complete as possible. AGS makes no claim for being a speedy, efficient, error-free society and there is a time bracket between when the Handbook is formatted (with the then-current membership roster) and when it is received in the mail. If you want your name in it and you want to receive it reasonably early in the year, then pay your dues as early as possible. You will be further reminded in the next couple of newsletters, one of which will have an application form. See the inside back cover for amount of dues.

NEWS FROM THE GENEALOGY COLLECTION RETURNS

In the last Quarterly we welcomed Wendy Clark as our new Genealogy Collection Supervisor at the Texas State Library. On page 193 of this issue she brings us some timely information concerning Social Security data at the Library, something she has graciously agreed to do for each coming Quarterly. Thanks to Wendy for this added bit of work on her part. And, incidentally, thank you to the entire Collection staff who held things together before Wendy was engaged; they have been doing a great job of serving us and the public through all this.

By the way, the SSI data are another instance of the growing volume of CD-Rom information we mentioned above.

REPRINT FROM SEPT/OCT 1996 NGS NEWSLETTER

On pages 194-195 we reprint with their permission an article from the Sept/Oct 1996 issue of the National Genealogical Society Newsletter concerning their ongoing negotiations with Halbert's of Bath OH, and the U.S. Postal Service. We do so because we support the NGS effort to promote responsible genealogical advertising. It appears that the action of both the Societies and genealogists en masse is needed to bring an improvement in Halbert's advertising methods. Please let your phones and letters do the talking.

LET'S KEEP ASKING FOR THE FAMILY HISTORY SHOW

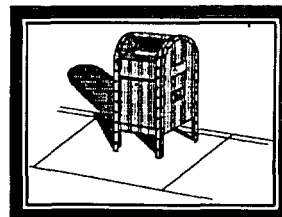

While you have phone or pen in hand you might also contact Radio Station KLBJ 590 here in Austin (832-4000, 8309 N. Interstate 35, Austin 78753) and continue to ask them to carry Michael Miller's Family History Show from TSN Sunday nites at 10-12 pm. This is a growing state-wide program and there is more than enough interest in genealogy in this area to warrant the program.

As a service to our readers, copied below is a page from the 27 July 1996 issue of the Central Texas PC Users Group Genealogy SIG newsletter *Welcome* which lists the current CD-ROMs available at the State Library. As may be noted, these disks cover an enormous bank of data relating to genealogy, and the collection continues to grow.

The Monthly Web Site

Each month I will be present a genealogy web site. This month is the National Genealogical Society in Arlington, Virginia. Their URL is <http://www.genealogy.org/~ngs/welcome.html>

From The Genealogy Collection

I welcome this opportunity to present myself and the Genealogy Collection of the Texas State Library to the entire membership of Austin Genealogical Society. I've attended the Society meetings since my arrival on the job in July and have been very pleased with the warmth and support shown to me by the Society members.

I'd like to use this forum in the Quarterly to tell you about various sources in the Genealogy Collection and hopefully trigger some exploration into unfamiliar materials. Since I've been on the job, I've been very impressed by the scope of our collection. There are, of course, areas we would like to improve and things will undergo some changes under my wing. I hope to make the collection more "user friendly" to researchers and welcome your thoughts in that area.

We are actively recruiting new volunteers for various projects. If you are interested, please give me a call and we'll set-up a time to meet.

Social Security Death Index

One of the more modern-era research tools we have at the Genealogy Collection is the collection of various CD-ROM's we've received primarily through generous donations from patrons. The Social Security Death Benefit Index CD-ROMs is one of the products we've had donated. The Index is a research tool which includes almost sixty million names of deceased individuals who had social security numbers and whose deaths were reported to the Social Security Administration between 1962 and 1993.

To search the index to death benefits on CD-ROM, simply enter the name of the person you are seeking. There are spaces on the search screen for social security number, first and last name, birth date, the state in which the social security number was issued, the death date, zip code of the last known address and zip code of address where death payment was sent along with state of primary residence. If you're like me, and you know a lot of the information, the tendency is to complete as much of the search screen as you can. The instructions say that entering LESS information may actually be a better choice as it will give you more matches from which to narrow your search. If someone does not appear, check for misspellings of the name and in the "Misc. surnames" section.

The death benefit index is also available on the internet. The Texas State Library homepage has added a link to the index. Our homepage is available at: <http://www.tsl.state.tx.us/ARIS/genealogy.html>

When Social Security benefits were instituted in 1937, each employed person filed an application for a social security number. The application form asked questions concerning the individual's birthdate, birthplace, parent's names, the name of their spouse and their address at the time of the application. To receive benefits, individuals had to document their births whether their birth state had required registration or not. The 1880 and 1900 censuses were indexed to help provide the documentation needed and, during this time, many states (including Texas), issued "delayed" birth certificates. The resulting information was kept in the individual's Social Security files and is available from the Social Security Administration. To obtain copies of a deceased individual's social security file, write:

**Social Security Administration
Attn: Freedom of Information Officer
4-C-5 Annex Building
6401 Security Blvd.
Baltimore MD 21235**

The cost for searching the claim file is listed at \$14.00, plus photocopying charges. The Social Security Administration will bill you.

If you are interested in viewing the application made at the time the individual first applied for a social security card, obtain form SS-5, called *application for a Social Security card* from your local Social Security office. The fee for that file is listed as \$7.00 but the Social Security Administration will bill you. Mail your request to the address listed above. The Administration will ask for the fee even if the information is not found or the file has been lost or destroyed.

Responses to requests for complete files or applications often take six weeks or more.

NGS Consumer Protection Committee Update

Dozens of NGS members have written to ask whether Halbert's is violating a U.S. Postal Service Cease and Desist Order by continuing to solicit orders for its World Book series. Others have asked about the meeting that representatives of the NGS Council and the NGS Consumer Protection Committee held with a delegation from Halbert's, Inc. Here's an update!

On 21 November 1995 the US Postal Service and Halbert's signed a consent agreement under which Halbert's agreed to cease and desist from, among other things, falsely representing "... that (1) a solicitation for a surname related product was sent by a relative of the solicitee; (2) a relative of solicitee was involved in preparing a surname-related publication; or that (3) a relative of a solicitee endorses a surname-related product." The prohibitions of the 1988 cease and desist order were to remain in effect.

The Postal Service did not consult with NGS about whether its cease and desist order responded adequately to the complaints we made about Halbert's misleading advertising nor did the Postal Service inform NGS when the order was signed. We learned about it early in the new year when Halbert's initiated a new solicitation letter.

In January 1996, Halbert's ceased using letters signed by a so-called director when it solicited orders for its World Book; instead, the letters were signed by *Sharon Taylor* or *William Forman*. The letters were revised to eliminate the chummy, folksy language that formerly had suggested a relationship between the person who had supposedly directed the project and the addressee, both of whom had the same surname. The package included a revised order form with a disclaimer that "No direct genealogical connection to your family or ancestry is implied or intended."

The issue is whether the US Postal Service is properly enforcing the 1988 cease and desist order by allowing Halbert's to continue to send letters that appear to violate it directly.

On 10-11 May 1996 representatives of Halbert's registered for the NGS conference in Nashville and attended the banquet during

which Consumer Protection Chair Hele Hinchliff gave a talk entitled "Scams, Sucker and Megabucks: the Shady, Shaky Side of Genealogy." Among other things she addressed the subject of Halbert's sale of phony coats of arms. The following morning NGS representatives met with a delegation from Halbert's at the latter's request.

The purpose of the meeting from Halbert's point of view was to inform us that they were making efforts to publish materials that would be useful to genealogists. The purpose of the meeting from the NGS point of view was to discuss our continuing concerns with Halbert's products and advertising. Mr. Ludwig A. Huck, Halbert's newly-appointed Vice Chairman and General Manager, chaired his delegation and Mr. Curt B. Witcher, then NGS First Vice President, and Manager of the Genealogical Library of Allen County (Fort Wayne), Indiana, chaired the NGS delegation.

Mr. Huck informed NGS that (1) Halbert's is considering dropping the promotion and sale of coats of arms, a practice that NGS has long shown as deceptive and false; (2) Halbert's has appointed an Advisory Board whose purpose is to provide advice on how to gain the approval of the genealogical community; (3) the firm has plans to bring out additional products; and (4) its representatives believe their products are useful for genealogists and they are proud of them.

The NGS delegation (1) expressed gratification that Halbert's is considering the elimination of coats of arms and gave additional examples of the falseness and deception involved in the promotion and sale of coats of arms for surnames, (2) held that Halbert's advertising materials continue to misrepresent and mislead the public, and (3) argued that the products are not as useful to genealogists as they claim.

Mr. Witcher repeatedly asked, why, Halbert's is proud of its products, do they not describe them accurately in their promotional materials. Mr. Huck invited NGS to provide detailed analyses of the ways in which its promotional materials mislead the public.

Consumer Protection

On 24 June 1996, the NGS Consumer Protection Committee prepared the first of several proposed analyses, showing line by line the many ways in which Halbert's new World Book Solicitation letter falsely represents the contents of the World Book and appears in several ways to violate the 1988 Consent Agreement. We directed this analysis to Mr. Ludwig Huck and to the members of Halbert's Advisory Board. We sent a copy to Mr. Daniel Bryant, Consumer Protection Lawyer, U.S. Postal Service. In the same packages, we sent a compilation of 30 complaints and queries that NGS members and other interested parties had submitted to the Committee about the new solicitation letter. Since then over a dozen new complaints and queries have come in.

Please lighten the burden of the Committee

If you feel strongly that Halbert's letters are misleading and deceptive, you should be writing your letters to Mr. Huck, to the members of his Advisory Board, and to the Postal Service. Here are their addresses:

Juanita Dodgen's June 1996 Genealogical Hint

The following information was in my files and I thought the information would make a good hint. The data was attributed to the St. Louis Genealogical Society, February 1996. I am quoting the information as it was presented in some publication that came my way--name unknown.

BORN IN VIRGINIA? ARE YOU SURE?

When reference is made to a person having been born in Virginia as early as 1728 or as late as 1850, that person could have been born in any of the following current states:

IL	1781-1818	NC	1728-1779
IN	1787-1775	OH	1778-1803
KY	1775-1792	TN	1760-1803
MD	1775-1792	WV	1769-1853

As I typed the information into my computer so that I could make copies, I noticed the same peculiarity that you have noticed so I went to THE HANDY BOOK to find out the correct date. Couldn't work it out so I decided to include the error in my hint.

NOTE:

1. It is true that each of these states or a part of them was once "Virginia." Your ancestor may have been born in "Virginia" in those early years but that area may now be Illinois, or Indiana, Kentucky or Maryland, North Carolina, Ohio or Tennessee. And West Virginia was "Virginia" until 1853. By extension, researchers need always to be aware of the ancestry of any state or county when working on an individuals's ancestry.
2. You cannot believe everything you read. Even the most well intentioned sources make errors.

Juanita Dodgen

**Travis County, Texas Pioneer Families
as compiled from the
Travis County, Texas 1850 Federal Census**

Starting with the September 1995 issue of AGSQ, we have been presenting successive portions of the family listings in the Travis County, Texas Federal Census for year 1850. This sustained chore is being accomplished by AGS members Barbara and Jerry Goudreau, who have already contributed heavily to Travis County and Texas genealogy in many ways. Until it is concluded, we will, as space permits, carry successive portions of that compilation in each issue. In order that readers might be able to achieve backward continuity as they look at each issue, we will list each time the families, by census number, contained in previous issues.. This may be helpful since quite a bit of additional information on various families is being sent by readers to Barbara which in turn will be included as received.. Numbers of Families by issue are as follows:

**September 1995
Families #1 thru #16**

**November 1995
Families #17 thru #56**

**March 1996
Families #57 thru #86**

**June 1996
No Families Carried**

**September 1996
Families #87 thru #148**

**November 1996 (this issue)
Families #149 thru #199**

The information on Families #149 thru #199 as compiled by the Gourdeaus starts on the next page (198). We have no updates in this issue on families already covered but they will be carried as and when Barbara has compiled and organized the information she receives. The Goudreaus and the Editor urge readers to pass along any additional information in their possession on any of these Travis County families. As we have previously mentioned, where possible the Goudreaus are also including 1860 census data as well as cemetery records (they have arguably the most extensive cemetery records in the County) on the 1850 families. With updated information from readers included the package will contain probably the most extensive genealogical information available in one collection for the 1850-1860 time period in Travis Co..

Barbara's address is as follows: (please note that their address is incorrect in the 1996 AGS Membership Handbook).

To Be Carried Forward in the March 1997 Issue

John Calhoun Cox of Nolan County

A folder of information concerning John Calhoun Cox of Nolan county was found in the Lake Travis High School Library by Juanita Dodgen, including a copy of the 19 Feb. 1917 issue of the Sweetwater TX Daily __ containing his obituary which we reproduce at the right. The folder included a dim photo copy of a portrait labelled "J. C. Cox, my grandfather" indicated to have been labelled by Noviline Cox Vermillion.

There is also a copy of a handwritten letter to Mr. Cox dated 10 June 1889 and signed by J. T. Craddock of the Texas Attorney General's office discussing some official matters. This was at the time Mr. Cox was District Clerk at Sweetwater.

The packet of information may be of interest to any of Mr. Cox's descendants although probably only the obituary has any genealogical interest. In any case, the packet will be placed in the vertical files at the Genealogy Collection, TSL, for public access.

The Editor

OLD SOLDIER PASSES AWAY

A gloom of sadness passed over Sweetwater and all Nolan county today when it was announced that the spirit of John Calhoun Cox had returned to its Creator after a sojourn of more than four score years on earth. For several weeks he had been in feeble health and his death was not unexpected.

End came at 4 o'clock this morning at the home of his daughter, Mrs. J. D. Sloan, in south Sweetwater.

Funeral services will be held tomorrow morning at 10 o'clock at the Sloan home conducted by pastor, T. Y. Adams of the Baptist church, of which the deceased had been a faithful member for more than sixty years.

Interment will follow in the city cemetery.

Sketch of Life.

The deceased was born on the red hills of Georgia 81 years ago and was named for John C. Calhoun of South Carolina. In early life he came west and at the beginning of the Civil War enlisted in the confederate army in Hood's Texas Brigade where he rendered valuable service until the war closed. He was one of the oldest settlers in Nolan county and was District Clerk here for twelve years.

He moved to Tyler several years ago and resided there till about 11 months ago when his wife died. Since that time he had made his home with Mrs. Sloan of this place.

He is survived by three sons and two daughters as follows: W. C. Cox of Brownwood, W. A. Cox of San Marcos, S. S. Cox of Mexia, Mrs. J. D. Sloan of this city and Mrs. Newlin of Illinois.

The Austin Genealogical Society

GENERAL INFORMATION

PURPOSE: Austin Genealogical Society was organized in 1960 as a not-for-profit corporation chartered by the State of Texas. Its purposes are to collect and preserve genealogical and historical information about the people of Texas, particularly pertaining to the City of Austin and to Travis and surrounding counties; to instruct and assist members in genealogical research; and to publish public and private records of genealogical interest. In addition, the AGS supports the Genealogical Collection, Texas State Library by donations of books and other genealogical material. Gifts and bequests to AGS are tax-deductible to the full extent permitted by law.

MEMBERSHIP is open to all upon payment of annual dues: \$15 per individual, or family membership of \$17 for two in the same household, entitling them to one copy of each Quarterly and monthly Newsletter, as well as two pages apiece (a total of four pages for \$17 whether one or two people submit listings) in the Ancestor Listing issue (June). After 1 July, dues are \$7.50 for the balance of the year, but you will only receive the publications produced after the date you join.

DUES FOR EXISTING MEMBERS ARE PAYABLE on or before JANUARY FIRST of each year for the ensuing year. If dues are not received by 1 February, the name must be dropped from the mailing list. If membership is reinstated later and Quarterlies and Newsletters have to be mailed individually, postage must be charged. (Back Quarterlies are supplied only IF available--very few extras are printed). Send payment to AGS Treasurer, P.O. Box 1507, Austin TX 78767-1507.

MISSING COPIES: If your Quarterly does not reach you by the 10th of April, July, October or December, notify the Society at Box 1507, Austin TX 78767-1507. (Note: Exchange Quarterly Chairmen should use the TEXAS STATE LIBRARY address on the inside front cover). Members who fail to give AGS sufficient advance notice of address changes and whose Quarterly is returned by the Post Office will be responsible for the postal fee for returned copies and for remailing the copy at individual rather than bulk mailing rates.

MEETINGS of the general membership begin at 7:30 p.m. on the fourth Tuesday of each month except August and December. Members are encouraged to come as early as 6:30 to socialize with each other. **MEETING PLACE:** Eaton Hall, Covenant Presbyterian Church, 3003 Northland Dr. (Take Northland (FM 2222) exit off Loop 1 (Mopac). The Church is on SE corner of intersection and entry to parking lot is off Northland. **VISITORS ARE ALWAYS WELCOME.** The Board of Directors meets at 6:15 in a separate room.

BOOK REVIEW POLICY: Books on appropriate subjects related to genealogy will be reviewed, but CANNOT be reviewed in AGSQ on the basis of advertising alone. If a review copy is received by the Review Editor at 2202 W. 10th. St., Austin TX 78703 by the first of February, May, August or October, it will be reviewed in the next Quarterly, space permitting. It will then be placed in the Genealogy Collection, Texas State Library, available to all patrons.

CHECK RETURN POLICY: Members and other payees must pay AGS the cost of any returned check (currently \$5.00) over and above the charge their bank may impose.

AGS QUARTERLY is issued about the middle of March, June, September and November. Contributions are welcome, subject to editing for style/size. Contributor is completely responsible for accuracy and any copyright infringement. AGS assumes no responsibility for content of submitted material. See inside front cover for address.

ANCESTOR LISTING PAGES (June issue of Quarterly) must reach the Editor at 4500 Hyridge Drive, Austin TX 78759-8054 by the TENTH OF MAY. They must be BLACK and LEGIBLE, whether typed, hand-written, computer-printed or in superior calligraphy. Months must be SPELLED or abbreviated, not in figures. DATES SHOULD BE SHOWN in accepted genealogical style, that is, DAY, MONTH, YEAR. Allow space for binding at inner margins of facing pages; i.e., your first page will be a left-hand page. Carefully check horizontal pages (reading in the 11-inch direction). Otherwise, the Editor has to position some pages upside down to prevent loss of data in the stapling-punching process. NO 8½x14 sheets, please!

You may submit Lineage or Family Group charts, Ahnentafels, narratives, cemetery inscriptions, Bible records, census data, queries, or a combination of material, just so it is not under copyright. BE SURE to proofread your material for accuracy and clarity so we will not publish faulty or incorrect data. Put name and address of submitter on each page in legible form (not blind embossed). Consult a recent June Quarterly for suggestions. Remember that reproductions are dimmer than originals so try to provide good quality originals.

REMEMBER: \$15 membership secures two facing pages.
\$17 membership allows you four pages.

DEADLINES for everything in the Quarterly except book reviews: 10th of February, May, August and October. Material sent addressed only to AGS Box Number may not reach Editor in time.
