MEMBERS' ISSUE

This is our annual issue wherein most of the content is material submitted by you members and readers concerning information pertaining to your genealogical researches and interests. We didn't exceed last year's record when 33 of you sent in material, but on Page 45 we begin submissions from 28 of our members (or couples), and that is a very satisfactory package of genealogy. We thank each submitter for taking the time and trouble to prepare their data. Obviously there is much work being done out there and we know an appreciative audience will be turning rapidly from these remarks to the real material in this issue.

You may note that Anne Darden Gilbert's submission on page 68 is a letter. She lives in Seattle and just joined AGS. The size of the pedigree material she sent was too large for this issue's format so we elected to include her letter, which has a lot of family information, instead. We'll try to get her pedigree in sometime later. Welcome to AGS, Anne, and thanks for your information.

You may also wish to note the first page of Peter Maxson's material (page 90). It discusses his grandmother's royal precedents; more, it makes some interesting points about what genealogy is all about. As he says, "the thrill is in the chase." It's more than just looking for royalty.

Many thanks to each and every submitter.

ANNUAL SEMINAR ANOTHER SUCCESS

The AGS seminar at the University Alumni Center on 12 April was well attended and a success in every way. The lectures by Patricia Law Hatcher of Dallas were excellent and informative; there were two roomsful of vendors being heavily worked at each break; and the comfort and ambiance of the Alumni Center was outstanding. Many, many thanks go to Kelly Barnhill; this was her first seminar chairmanship and she did an outstanding job. She was very ably assisted by Jo Ross, previous chair, whose time and devotion to this occasion are unmatched. They were aided by any number of members who helped in various ways and whose contributions also deserve fervid thanks.

The AGS Board recognizes the high level of interest that members and the general public have in these types of genealogical programs and wants to continue providing them. At the same time there are growing problems with such matters as increasing costs, availability of satisfactory facilities commensurate with cost management, and scheduling in the face of a vast increase in genealogical seminars in this area of the country over the last few years. The Board is considering these matters seriously and will earnestly work to resolve them to the benefit of the Society.

Genealogy Collection Frequently Asked Questions

From the Texas State Library
Genealogy Collection

by
Wendy Clark, Supervisor

If I'm at the Texas State Library, how do I find a book?

Consult the computer terminals in the Genealogy Collection, Archives or Reference/Documents reading rooms. These access the Texas State Library's on-line catalog. *You* may search by author, title, subject or do an "all categories" search. The Genealogy Collection has open stacks for browsing but the Reference/Documents and Archives reading rooms materials must be requested from a staff member. For materials received prior to the fall of 1974, be sure to use the card catalog located in the Reference Collection, room 300. The on-line catalog is available at <http://www.tsl.state.tx.us/catalog>

May I check books out?

Materials in the Archives and Genealogy Collection are not to be removed from their respective reading rooms. These collections are not available for check-out. Some materials in the Reference/Documents collection are available for check-out including a small collection of genealogical books. Please ask a staff member for assistance.

What materials are in the Genealogy Collection?

Microfilm of the federal census schedules, printed and CD-ROM versions of census indexes, the special census schedules for Texas, indexes (not the actual certificates-see below) to Texas vital statistics records, microfilm of Texas tax records, printed biographical, county court record abstracts, histories, abstracts of military records and cemetery listings for Texas, the southern states, New England and a small amount of material for the central and western states, genealogical reference books, published family histories, periodicals, books on heraldry and printed or microfilmed passenger lists.

What census records are available in the Genealogy Collection?

Census records from all states are available to 1910. For 1920, the Collection currently owns the Arkansas, Colorado, Florida, Idaho, Louisiana, Montana, Nebraska, Nevada, Oklahoma, Tennessee, and Texas census only. Our collection of indexes to the census is limited. We do have an agreement with American Genealogical Lending Library, a microfilm rental program, whereby patrons can rent the indexes or actual census microfilm that we do not own. A staff member can explain the program.

Where can I find Texas vital records?

The Texas State Library has some indexes to Texas births, deaths, marriage and divorce records. The actual certificates are available for a fee from the Bureau of Vital Statistics, 1100W. 49th St., Austin, TX 78712 (512-458-7111 ext. 12). The indexes for births begin in 1903 and end in 1976, deaths are indexed from 1903 until the latest year available, marriages from 1966 to the latest year available and divorces from 1968 until the latest year available. For records prior to the years above, it is advisable to check in the County where the record was created. Early marriage records will be found at the County Clerk's office while divorces will be recorded at the District Court.

Do you have family surname files?

The Genealogy Collection has a limited collection of family surname files in the vertical file collection. The records are arranged by family name. By searching the on-line and card catalogs for a particular family name, you may find printed genealogies that are in the collection.

My ancestor fought in the Civil War. Where can I find his records? Records of Union service are available from the National Archives. At the end of the War in 1865, most surviving Confederate War Department records were confiscated by the Federal government. Records of confederate military units are available from the National Archives. The Genealogy Collection has microfilm copies of the index to the Texas military records. Beginning in 1899, Texas first issued pensions to surviving Confederate soldiers and their widows. The applications for these pensions are available in the Texas State Archives. Applications were not limited to soldiers who had served from Texas but were open to all those with former service who were residing in Texas at the time of their application. Muster rolls of individual Texas militia units are in the Archives Collection. The Genealogy Collection has a microfilm copy of those muster rolls.

How can I access county court record information?

A program to microfilm records in county courthouses is ongoing in the state of Texas through the Local Records program. A list of records that are currently available for interlibrary loan is available from your local library.

The Texas State Library owns the microfilmed records for the following counties: Atascosa, Bandera, Bastrop, Bexar, Blanco, Caldwell, Comal, Dimmit, Frio, Gillespie, Guadalupe, Hays, Karnes, Kendall, Kerr, Kinney, LaSalle, Llano, Maverick, McMullen, Medina, Uvalde, and Wilson, as well as some of the Williamson County Deed records.

Do you have tax records?

Yearly tax rolls for each county are available from the county's incorporation date to the late 1970's. Within each county, the records are arranged by the first letter of the taxpayer's last name but not strictly alphabetically. They are unindexed. Tax rolls do not include genealogical data and will not explain family relationships. They will provide information on the amount of land and personal property owned. They are useful for determining when someone came to a county, how long they resided there and when they left the county or died.

I am interested in hiring a genealogist. Can you make a referral?

While the staff does not make referrals, a list of researchers familiar with the Collection is available.

Will the staff respond to questions by mail?

The Genealogy Collection staff does not undertake genealogical research. Services are limited to requests for specific records from the Collection. The following information should be included in the request:

- the full name of the individual concerned
- the specific record you are seeking
- the approximate date of the record and a city or county where the record was created or the person resided.

Questions may be sent by mail to:

Ancestor Listing Pages

As is the custom, this June issue of the Austin Genealogical Quarterly is principally devoted to presentation of the genealogical and family history materials submitted by individual and family members. Once again the submissions have been generous as to number and content, and the Editor expresses hearty thanks to those of you who troubled yourselves to send in or bring by this material. The Society is neither more nor less than the collective sense of the membership as a whole. This being true, we take much comfort in the sense that AGS through such activities such as this stands well to the front of the genealogical world.

The material on the next 74 pages is presented essentially as received, except for reductions of some pages so that the content can conform to our publishing standards. All names shown will be included in the annual name index in the November quarterly. Listed below are the names of the submitters, with their addresses and the inclusive pages on which their material may be found. They are presented alphabetically except that Bill Woodard's 3 pages are inserted immediately after the one page from Shirley Brooks in order to maintain a facing page format throughout as much as possible.

George Dewitt Clinton FOTTER:

The basic information on George Potter and Margaret Andros comes from Phyllis A. (Mrs. Charles M.) Buck. The family was in Webster City, Hamilton County, Iowa in the 1880 census. The dates for children 5-8 are from that census. (But see obit. Fayette County, IA 1850 until 1878—then Sterling, NE.)

Family legend says that Margaret was "a full-blooded Indian from Ohio" who met George at Penn College.

Obit: Margaret M. Andros was born at Fort Washington, Ohio, September 30, 1834. In 1847 she moved with her parents to Illinois, and in 1849 was married to G. C. Potter, and in 1850 they emigrated to Fayette County, Iowa, where they continued to reside until 1878, when they moved to Sterling, Nebraska, where they have ever since made their home.

To this union were born eight children, seven of whom are still living. One daughter, Mrs May Lowry, died some years ago in Omaha. The children still living are, Mrs. M. L. Snyder and Mrs. A.L. Wells, of Blaine, Wash. Mrs H. M. Buck of Westbrook, Minn., Geo. Potter and Mrs H. Q. Smock of Sterling, Frank Poller of Aberdeen, Washington, and Mrs Mabel Derr, of Lincoln. She also leaves her husband in very feeble health.

Mrs Potter had been a consistant member of the M. E. Church of Sterling, since coming here, and previously from girlhood, a member of the United Brethern church; and after a long and peaceful life, she passed away suddenly Tuesday evening, December 27, 1905.

Although her death came suddenly, she was prepared for she had lived as she would wish to die, at peace with the world, and conscious of having lived a good life, and done what she could to make the world better.

The funeral services were conducted Saturday afternoon from the M.E. Church, the funeral being preached by the pastor, Rev. D.B. Lake.

Beautiful floral offerings were contributed by the Ladies Aid Society, of which she was a member, and by loving friends.

The remains were laid to rest in the Sterling cemetery.

Additional source: Death certificate for George Dewitt Clinton Potter confirms birth and death dates. Adds White Creek, NY to birth place. Gives "minister" as occupation. (Notice that the United Brethern minister (UB) conflicts with Margaret's obit which gives United Brethern as her childhood church, but M.E. (Methodist Episcopal) as her church when in Nebraska. Death certificate lists "senility" as cause of death and "softening of brain" as contributing factor. This death certificate is also the source of the full name of George and the names and birth places of his parents.

Note: Dewitt Clinton was governor of New York and vice president of the United States. He died the year before George Dewitt Clinton Potter was born in NY.

Charles Ephriam BUCK

Burial at Arnolds Park, Dickinson, IA on 3 January 1944

Obituary says birthplace in Sterling, NE but Bible says Lincoln, NE

Birthplace of Lincoln, NE is on birth certificate of Charles Max.

Charles had two years of high school and then worked for the railroad the rest of his life.

Obituary: Waseca, MN newspaper, dated 31 Dec. 1942

HEART ATTACK FATAL TO CHAS. BUCK FRIDAY

VETERAN CHICAGO, NORTHWESTERN RAILWAY CONDUCTOR WAS STRICKEN AT HOME WHILE CONVERSING WITH NEIGHBOR

Charles Ephriam Buck of 421 10th Avenue Southwest died Friday December 31 at 1:00 PM at his home of a heart attack at the age of 65.

While Mr. Buck had not been feeling well for a couple of months he was able to be up and about and was conversing with a neighbor in the living room of his home when stricken. He passed away almost instantly.

Mr. Buck was born at Sterling, Nebraska December 15, 1878, the son of Henry and Mary Buck. In 1899 he was united in marriage to Alfreda Brandt of Des Moines, at Spirit Lake, Iowa. October 17, 1908 they came to Waseca from Arnolds Park, Iowa and have made Waseca their home since that time. Mr. Buck was employed as conductor of Chicago, North Western Railroad for the past 35 years.

He is survived by his wife and four sons, Kenneth of Austin, Harry, stationed at Camp White, Oregon; Capt. Charles Max Buck, Chaplain in the Aleutians and William of Edmonton, Canada. One daughter, Beernice, died at the age of 21 months. He is also survived by two brothers, Max of Arnolds Park, and C. E. Buck of Minneapolis.

Funeral services were held Monday (January 3) at 11 AM at the Pfaff Funeral Home and conducted by the Rev. F. O. Hoyle of the Episcopal Church. Burial was made at Arnolds Park, Iowa.

- People from out of town who attended the funeral were: C.C. Buck of Minneapolis, Fred Brandt of Des Moines, Iowa, Mrs. P.C. Hill and daughter, Mrs. Huntley also of Des Moines, Mr. and Mrs. Kenneth Buck and family of Austin, and Mr. and Mr. William Buck of Edmonton, Canada.

Note [Phyllis Buck, wife of Charles Max and son Billy were also there but were not mentioned. The obituary lists brother C.E. in one place and C.C. in another. This brother's name was Carroll or Carl. The 1899 marriage date is probably correct. (Nina has seen the wedding registration in the Court house records which says October 5, 1899).

Henry Monterville BUCK

Henry was visiting his son "Bert" in Seattle when he died and Bert and Gazelle "took care of everything." He is buried there Evergreen Washelli Cemetery. Mary died in Arnolds Park, Iowa and is buried in the family plot. Family tradition notes that Henry met Mary at a revival (Mary's father was a preacher) where they both sang in the choir. The Potters were against the marriage because Henry worked in a billiard parlor, so the young couple eloped. They left Delrichs, SD (where Henry's parents lived) and moved to Arnolds Park, IA. [See comments on reasons in Ephriam notes.]

Henry became a contractor and builder. In the 1880 census for Sterling, Nebraska, the head of household is listed as a plasterer. Based on the birthplaces of the children, the family moved from Iowa to Nebraska about 1879. I think that it is logical to presume that Henry worked with his father-in-law in construction.

Burial in Evergreen-Washelli Cemetery in Seattle, Washington;
Henry Monterville Buck 1852-1918 Wahelli Sect K, Lot 50 grave 4

Notes of FAB say of the brothers of Henry: Charlie was a fireman who discovered a cave. [We visited Wind Cave in SD.] Walter "died young."

Mr. Bill Koehler
4500 Hyridge Drive
Austin, TX 78759-8054

Dear Bill,

I would like to join either the Travis County or Austin Genealogical Society. Please let me know what the yearly dues are. I can supply some useful information and possibly you could put me in touch with someone who, for a fee, would do some research on my family.

On my fathers side: his name was Stephen Heard Darden Brown and he was born 5/27/1895. When he was 12 years of age he was a page in the senate there in Austin. I have a photo of him at that time with his name and date on the back. Into his late years he could still recite those names of years gone by. He had a law degree from the University of Washington and a doctorate of law from Stanford University. He was a professor of business law in the school of Business Administration at the U of W until he retired in 1970. He had an older sister Mary Evans Brown who was born 11/14/1890. She never married and she died in 1971. Their Mother was Ann Darden and their father was Jefferson Davis Brown. Ann Darden was the daughter of Col. Stephen Darden Brown and Katherine Evans Mays.

My twin brother has the Darden family bible and I have a good deal of old letters and family correspondence.

My Grandfather, Jefferson Davis Brown, died at an early age, when my Dad was one and a half and my aunt was six. I would like to trace other brothers and sisters he had to learn more of the family tree. JDB's father was Frank Brown born in Nashville, TN in 1833. He came to Texas when he was about 12. He is THE Frank Brown who wrote "The Annals of Travis County History" in some 13 volumes. I became aware of it in Jan of 96 in a visit to the Family History Center in Salt Lake City. I have letters and some photos from that side of the family too. His wife was Georgiana McLemore. I don't have her birth date confirmed as yet. Her father was Joel McLemore from North Carolina and her mother was Rhoda (don't know the last name as yet) I have an old photo of a spring house on their property in Lockhart TX which is where the McLemores lived at some period. In looking for the last name now in Caldwell County, I don't find any listed. But there are a number of McLemores listed in the Austin area. Can you ask around if any of them are descended from that family?

I do want to take a trip to Texas to see these places and learn more. There is a write-up about Col. Stephen Heard Darden and his stand in the military over the town of Indianola. His obituary appeared in "The Confederate Veteran" vol. II, Nashville, TN Jan 1903, No. 1., on pages 33 and 34.

What types of historical displays are on exhibit at the Hall of State on the fairgrounds in Dallas?

We are proud of our family heritage and want to learn all we can. We would also consider sharing some of what we have to a group that would show an interest and appreciation for it.

My grandmother, Ann Darden Brown, later married Paul Bremond Crueger. She was very active in the D.A.R. (becoming a member in 1931, her National # is 272444), the Pilgrims, the Sons and Daughters of the Republic of Texas. When my twin brother and I were born she had us registered as a son and daughter of the Republic of Texas and our names appear in the proceedings of the 49th annual meeting of the Daughters of the Republic of Texas May 14, 15 and 16 1940- Fort Worth, TX on page 142.

Enclosed are some descendancy charts to help you see the picture. I'd be thrilled to get any additional information where the question marks are- or any other additional information that is available to you through the Austin G.S. I am enclosing a check for \$15.00 for the years membership. Please ask around if any of the members are related to our families or know something that will aid me in learning more of them.

Sincerely,

Anne Darden Gilbert

I would really appreciate being put in touch with someone who can help further my search.

WHO ARE THESE PEOPLE??

Photograph taken around 1898+- by L.B.Hill Photo, Austin, Texas.

This photo was given to me after my Aunt Annie (Hopkins) Hankees' death in 1981.

Her relatives were: Parents: Berry and Allie Elnora (McElroy) Hopkins and Grandparents: Willis & Margaret (Jackson) Hopkins; all of Austin. Could this be a HOPKINS or MCELROY relative, or just friends? If you can help, please contact: Roy Tom Hopkins Jr., 1830 South Valentine st., Lakewood, Colo. 80228. Thanks.

AUGUST RAHM/EVA CATHERINE MILLER RAHM

August Rahm was born in Roden, State of Hessen, Germany, 27 Aug 1830. He came to the US on the ship, Bessell, 19 May 1852. Port of Embarkation was Bremen, Germany. He entered this country in New York just before his 22nd birthday. I find him next in Lawrence, Kansas where his employment is listed as a miller. He filed for naturalization 12 Mar 1958. On 27 May 1858 he married Eva Katherine Miller.

The Rahm's had three daughters, Elizabeth 8 sept 1860, Harriet 27 July 1865 and Amelia 26 June 1863. All three girls were born in Douglas County, Kansas (probably in Lawrence).

At some point after 1865 the family moved to Thompsonville, Kentucky Township, Jefferson County, Kansas, which is northwest of Lawrence.

Eva Rahm died 21 May 1912 and August died 12 April 1913, they are both buried in Oak Ridge Cemetery just north of Perry, Kansas.

I am trying to fill in August's trip from New York to Kansas.

Eva Miller Rahm, born 28 Nov 1832 Baden, Germany. She came to the US when she was 11 years old. She and her parents lived in Akron, Ohio for 14 years. In 1957 she went to Lawrence, Kansas. She married August Rahm in Kansas 27 May 1858.

HENRY LEWIS RODE/ELIZABETH RAHM, RODE, MCQRARY, ECK

Henry was born 5 Feb 1859 in Germany (per a page from the family bible and his obituary). I have no other history on him until he married Elizabeth Rahm in 1878. Elizabeth was born 8 Sept 1860.

The Rode's lived in Jefferson County, Kansas. There were five children: Johnny 8 Feb 1880, Hattie 19 Feb 1883, August 18 July 1885, Amelia 2 Sept 1887 and Henry 25 Dec 1892.

Henry died 9 Feb 1899 and is buried at Buster Cemetery, north & east of Perry, Kansas.

Elizabeth later married _____ McCrary in 1899 and after his death married Henry Eck in 1918.

Elizabeth died 26 Feb 1932 and is buried at Buster Cemetery, Jefferson County, Kansas

DYER LOTRIDGE (DIRE LOTTRIDGE)/ANNA MAE STEVENSON

Dyer was born 21 August 1827 in New York. I have no other information on him until he married Jemima Armontrout on 2 Jan 1848 in Franklin County, Ohio. In 1849 he went, by wagon train, to Appanoose County, Iowa where he lived the rest of his life.

The Lotridge's had 11 children, James 1845, Mary 1847, Anna 1849, Sylvia 1850, Martha 1854, John 1861, Jake 1863, Jasper 1864, George McClelland 21 Apr 1865, Della 1866 and Rosabella 1871. I realize some of the births seemingly occurred prior to the marriage date. I know the marriage date is correct as I have a certified copy of the official entry in the registry of the Justice of the Peace who married them. The birth dates are sketchy, with the exception of George McClelland, my grandfather. Obviously, more research is needed on these other births.

There is some thought in the family that perhaps Dyer's family were Loyalists during the Revolutionary War, that perhaps they went to Canada during the war. I have found a family of Lotridges from New York who did move to Canada during that period, however I am missing at least one generation which would make this link. Therefore, I am trying to bring what has been documented and what is "family stories" together. It is interesting that many of the christian names in this New York Loyalist family also occur in Dyer's family.

WILLIAM PATTON ZIMMERMAN/MARY CHRISTY

William was born 12 Oct 1851 somewhere in Virginia. His father was a Henry Zimmerman. I have no other information on him until he married Mary Christy in 1873 in Omega, Pike County, Ohio. The information skips then to Kansas. One son was born in Kansas in 1884. The Zimmerman's lived and farmed on Rural Route 3, Reno Township, Leavenworth County, Kansas. There were seven children, Maywood Richard 4 Aug 1875, Herbert A. 17 Dec 1877, William B. 1879, Glenn ? Oct 1884, John 1886, Ray 13 Dec 1889 Ina Ruth 15 Feb 1893.

The only information I have on Mary Christy Zimmerman is that she was born in Pike County, Ohio 12 Dec 1852. Her father was John Christy who was born in Ohio.

William died 26 Aug 1911. He was hit by a railroad train at a crossing in Douglas County, Kansas north and east of Lawrence.

Sometime after William was killed, Mary moved into Lawrence where she lived until her death 8 Nov 1941.

ELIJAH H. JAMES/ELIZABETH LAMPSON

Elijah was born 14 Sept 1827, birth place probably Ohio (Census records). He was married to Elizabeth Lampson in 1849 at Bern Township, Athens County, Ohio. The James' had three children: Charles Austin 19 Jan 1851, Emma 1856 and Flora 1859. They lived on a farm along the east bank of Federal Creek above the mouth of Big River in Rome Township, Ohio. They sold this farm and moved to Meggs County to farm about 14 miles north of Primroy? near Tupper's Plains, Ohio. In March of 1860 they moved to Benton County, Missouri. In September of 1860 they went on into Kansas settling in Franklin County about 12 miles southeast of Ottawa. In 1861 they moved to Iowa. In the fall of 1862 they came back to Kansas and stopped in Jefferson County about 8 miles east of Topeka. In the spring of 1863 they bought 80 acres 1 1/2 miles northeast of Grantville where they lived until Elijah died 15 Sept 1864.

Elizabeth was borned in Ohio in 1834. Her father was Philip Lampson. After Elijah's death she married Charles Scates in Atchinson County, Kansas 10 Sept 1867. They moved to Vinland area of Douglas County, Kansas in 1868.

Charles was a farmer. He had served in the Civil War and was mustered out at Fort Leavenworth, Kansas. He was thought to have been born in Canada about 1844. Nothing else is known about his family. He died in Fredonia, Kansas, year unknown.

Elizabeth is buried at Vinland Cemetery, Douglas County, Kansas.

THOMAS CHARLES PEARSON/RHODA RODGERS

Thomas Pearson was borned 22 Apr 1805 in Tennessee. His father was Thomas Pearson from Tennessee. His mother's name was Nancy. Thomas married Rhoda Rodgers on 1 July 1840, Union Township, Fulton County, Indiana. The Pearson's had four children, James L 5 July 1835, Emmaline 12 Nov 1843, Martha Ann 11 July 1846 and Rebecca Ellen 30 May 1850. Thomas has three daughters from a previous marriage, to Fanny Shank(s), who lived with them. They were Nancy 1829, Josephine 4 July 1831 and Amanda 18 Sept 1835.

Thomas belonged to the Masonic Lodge. He was a charter member of Doric Lodge #83 in Eudora, Kansas, served as Secretary and Tyler of that body. His funeral was the first Masonic Funeral held at Vinland by that lodge. He died 8 May 1891 and is buried at Vinland Cemetery.

Rhoda Rogers was born 15 Sept 1821 somewhere in Ohio. Her father's name was Eli and her mother was Sarah. She died 10 Feb 1883 and is buried at Vinland Cemetery, Douglas County, Kansas.

JOSEPH RICHARDSON ALLEN/EMMALINE PEARSON

Joseph Richardson was born 14 Dec 1832 in New Jersey per census records to Joseph R. Allen and Anna Richardson. There is some family belief that Monmouth, New Jersey might be significant. I have no other early history on him. He was married to Emmaline Pearson at Newton, Jasper County, Iowa. The Pearson's had seven children: Sarah Jane 22 Jul 1858, James T. 16 Dec 1863, Thomas June 1865, Elmer Franklin 20 Aug 1866, Edwin Charles 26 Sept 1871, Bertha 12 Nov 1874 and Mary who died as an infant, year unknown.

Joseph was given a grant of land south of Eudora, Kansas which was 120 acres in June 1871. The original copy of the Grant is the property of Clif James.

Joseph died 19 April 1917 Douglas County, Vinland, Kansas. He is buried at Vinland Cemetery.

Emmaline was born in Fort Wayne, Allen County, Indiana, 12 Nov 1844. She died in January 1923.

Grandmother's Royal Forbears

PETER FLAGG MAXSON

My maternal grandmother, Nell Goodrich DeGolyer, was a delightful if sometimes formidable woman. She was intelligent, generous and productive, but had a weakness for fancy family connections. Not really a genealogist, she was nonetheless a stalwart member of the National Society of Colonial Dames and the Descendants of Signers of the Declaration of Independence. She prided herself on a great-grandmother who was a Carter of Virginia (though research indicates only a loose connection with the well-known Virginia dynasty of that name). My grandfather worked with an Englishman, Viscount Cowdray, and Grandmother was an Anglophile. She was pleased when my sister married a titled Scotsman. But she would have been thrilled with a line of her Royal forbears I unearthed two years ago at the Virginia Historical Society in Richmond.

Geneticists and genealogists debate the genetic legacy left by remote ancestors. Before scientific studies, arguments were made that one's physiology owed something to *all* forbears ("the blood of Charlemagne courses through our veins.") A *Dallas Morning News* article reprinted in the *Austin Genealogical Society Quarterly* concluded "... nearly 99 percent of your ancestors from the Middle Ages left you no biological legacy." But a *Statesman* article recently documented a DNA link between a British teacher and a 9,000-year old ancestor's remains, in an instance when the descendants remained geographically static. I can trace a gene over 200 years in my own family: two of my father's sisters produced twins, and my paternal grandmother had a twin who died at birth. Looking through family histories, I learned that my grandmother's mother's mother's mother's mother (Delia Seymour Bull) had twins in the 1770s.

Genealogists enjoy tracking family connections to our remotest ancestors. Generally, well-born forbears are easier to trace than humbly-born, and royalty is still better documented. Finding Royal connections ultimately counts for nothing, and William the Conqueror has living descendants in the hundreds of thousands or millions. But, the thrill is in the chase. No matter that I have ten breaks in the male line from the Conqueror - the present Queen has at least eight breaks herself, the legitimate lines of Plantagenets, Tudors and Stewarts now being largely extinct.¹

Most forbears are merely names, and few images or documents survive to show how they really lived. But it is entertaining to see forbears depicted in movies or plays. Katharine Hepburn and Peter O'Toole gave spirited and plausible portrayals of my distant forbears Eleanor of Aquitaine and Henry II in "Lion in Winter". Frequently, however, films are wildly inaccurate. Producers for Academy Award winning "Braveheart" evidently used Walt Disney writers as historians. The movie features in part an affair between Isabelle, Princess of Wales and rebel Sir William Wallace (Mel Gibson), enraging her father-in-law King Edward I. In truth, Isabelle never met Wallace, who was executed in 1305 when she was nine. Edward I died two years later, and Edward II married Isabelle only in 1308, when she was aged 12.² But Hollywood regularly sacrifices authenticity for sensationalism.

For the traveler, it is also an experience to visit places an ancestor knew or lived - Windsor and Edinburgh Castles and Westminster Abbey for Royal forbears, Arundel Castle and Burghley House for nobles, Prestwold plantation and Christ Church, Lancaster for early Virginians, graves in a Missouri cemetery, even my great-grandparents' bungalow in Norman, Oklahoma.³ All are links - however remote - with a notable past.

¹ Normandy/Plantagenet/Tudor/Stewart/Stewart (Darnley)/Bohemia/Hanover (Guelph)/Saxe-Coburg (Windsor)

² Later called "the She-wolf of France," she and her lover had her husband murdered in a particularly repellent manner.

Travis County Pioneer Families
as compiled from the
Travis County, Texas, 1850 Federal Census
by Barbara and Jerry Goudreau

Corrections

Because of the volume of submittals for this issue's Ancestor Pages, we will postpone carrying additional families until September. We had presented through Family #244 in the previous (March) issue.

The Editor has received the following letter from Barbara;

Dear Editor and Members:

I never take info over the phone, if I can help it. I made an exception on the Hudson and related families. There were so many errors, I did these pages over.

I would like this run in the June quarterly, and members are asked to replace the two pages, Pages 21 and 22, with the corrected two pages.

I apologise for the error, on my behalf and those trying to help me. We were trying to make it as factual as possible. There is some material going around that is incorrect.

I want to thank Mr. Neal Hudson and Mrs. Jean Walker for their help.

Barbara Goudreau

We greatly appreciate Barbara's concern and devotion to this project and know that at every step she endeavors to maintain utmost accuracy. She is certainly not alone in finding it difficult to secure completely valid information over the phone; all of us share that problem.

Therefore, please send all corrections and additions to her by mail at her address, rather than by phone. Neither she nor the Editor want to discourage sending in any such material. We just want to get it as correct as possible. Barbara's mailing address is:

Barbara Goudreau
2425 Ashdale Dr., #31
Austin TX 78757-8151

The corrected Pages 21 and 22 are immediately following this page and labeled as corrections (coincidentally they are Pages 121 and 122). The annual name index will *omit* any listings on pages 21 and 22 and will carry the replacement page information. This should avoid anyone seeking out names from those pages and failing to notice the correction.

The Editor

Corrected Pages

Note: These two pages are corrected from Pages 21 and 22 of the March 1997 issue of the AGS Quarterly and should be substituted for them. The November annual name index will omit pgs 21 and 22 and include names from these pages instead. See preceding page.---Ed.

The Austin Genealogical Society

GENERAL INFORMATION

PURPOSE: Austin Genealogical Society was organized in 1960 as a not-for-profit corporation chartered by the State of Texas. Its purposes are to collect and preserve genealogical and historical information about the people of Texas, particularly pertaining to the City of Austin and to Travis and surrounding counties; to instruct and assist members in genealogical research; and to publish public and private records of genealogical interest. In addition, the AGS supports the Genealogical Collection, Texas State Library by donations of books and other genealogical material. Gifts and bequests to AGS are tax-deductible to the full extent permitted by law.

MEMBERSHIP is open to all upon payment of annual dues: \$16 per individual, or family membership or \$18 for two in the same household, entitling them to one copy of each Quarterly and monthly Newsletter, as well as two pages apiece (a total of four pages for \$18 whether one or two people submit listings) in the Ancestor Listing issue (June). **After 1 July**, dues are \$8.50 for the balance of the year, but you will only receive the publications produced after the date you join.

DUES FOR EXISTING MEMBERS ARE PAYABLE on or before JANUARY FIRST of each year for the ensuing year. If dues are not received by 1 February, the name must be dropped from the mailing list. If membership is reinstated later and Quarterlies and Newsletters have to be mailed individually, postage must be charged. (Back Quarterlies are supplied only IF available—very few extras are printed). Send payment to **AGS Treasurer, P.O. Box 1507, Austin TX 78767-1507**.

MISSING COPIES: If your Quarterly does not reach you by the 10th of April, July, October or December, notify the Society at Box 1507, Austin TX 78767-1507. (Note: Exchange Quarterly Chairmen should use the TEXAS STATE LIBRARY address on the inside front cover). Members who fail to give AGS sufficient advance notice of address changes and whose Quarterly is returned by the Post Office will be responsible for the postal fee for returned copies and for remailing the copy at individual rather than bulk mailing rates.

MEETINGS of the general membership begin at 7:30 p.m. on the fourth Tuesday of each month except August and December. Members are encouraged to come as early as 6:30 to socialize with each other. **MEETING PLACE:** Eaton Hall, Covenant Presbyterian Church, 3003 Northland Dr. (Take Northland (FM 2222) exit off Loop 1 (Mopac). The Church is on SE corner of intersection and entry to parking lot is off Northland. **VISITORS ARE ALWAYS WELCOME.** The Board of Directors meets at 6:15 in a separate room.

BOOK REVIEW POLICY: Books on appropriate subjects related to genealogy will be reviewed, but CANNOT be reviewed in AGSQ on the basis of advertising alone. If a review copy is received by the Review Editor at 2202 W. 10th. St., Austin TX 78703 by the first of February, May, August or October, it will be reviewed in the next Quarterly, space permitting. It will then be placed in the Genealogy Collection, Texas State Library, available to all patrons.

CHECK RETURN POLICY: Members and other payees must pay AGS the cost of any returned check (currently \$5.00) over and above the charge their bank may impose.

AGS QUARTERLY is issued about the middle of March, June, September and November. Contributions are welcome, subject to editing for style/size. Contributor is completely responsible for accuracy and any copyright infringement. AGS assumes no responsibility for content of submitted material. See inside front cover for address.

ANCESTOR LISTING PAGES (June issue of Quarterly) must reach the Editor at 4500 Hyridge Drive, Austin TX 78759-8054 by the TENTH OF MAY. They must be BLACK and LEGIBLE, whether typed, hand-written, computer-printed or in superior calligraphy. Months must be SPELLED or abbreviated, not in figures. DATES SHOULD BE SHOWN in accepted genealogical style, that is, DAY, MONTH, YEAR. Allow space for binding at inner margins of facing pages; i.e., your first page will be a left-hand page. Carefully check horizontal pages (reading in the 11-inch direction). Otherwise, the Editor has to position some pages upside down to prevent loss of data in the stapling-punching process. NO 8½x14 sheets, please!

You may submit Lineage or Family Group charts, Ahnentafels, narratives, cemetery inscriptions, Bible records, census data, queries, or a combination of material, just so it is not under copyright. BE SURE to proofread your material for accuracy and clarity so we will not publish faulty or incorrect data. Put name and address of submitter on each page in legible form (not blind embossed). Consult a recent June Quarterly for suggestions. Remember that reproductions are dimmer than originals so try to provide good quality originals.

REMEMBER: \$16 membership secures two facing pages.
\$18 membership allows you four pages.

DEADLINES for everything in the Quarterly except book reviews: 10th of February, May, August and October. Material sent addressed only to AGS Box Number may not reach Editor in time.
