

How to Submit Articles to AGS Quarterly

AGSQuarterlyEditor@outlook.com

Editor: Lisa Smith-Curtean

The preferred method for articles, images, and all other material is digital by email, ideally as an MS Word or WordPad file, and images should be at least 600KB or larger, if possible. Do not embed images in the email itself but rather include them as an attachment.

If the files are too large to send via email, you can use the **free** service at WeTransfer.com and send the information to Lisa using the email above. Again, do not embed images in the email itself but rather include them as an attachment.

Please note: Lisa is not opposed to getting paper materials. If you choose to send hardcopy articles and photos, please send Lisa an email notification or call her at 254-300-4839 to let her know that you are sending information. You can send it to:
